WELCOME

Greetings and welcome to the Pacific Theological College. This inter-denominational, multi-ethnic and multicultural institution is the only ecumenical training institution in the Pacific that offers theological education up to Ph.D. level. It is located in Suva, the capital of Fiji.

The hallmark of PTC is its three-pronged emphasis on ecumenism, contextual theology and missiological focus. These emphases play a prominent role in defining not only the nature of the academic programme, but also its content. The ‘pacificness’ of such strands is explored in all theological disciplines and is an integral part of the College’s liturgical life and extracurricular activities. The unique context of PTC complements the formational training most students received in their local theological schools prior to taking up studies here. In essence, PTC offers the opportunity for all students to receive ecumenical formation as part of their ministerial training.

The studies of traditional theological disciplines such as Theology, Ethics, Biblical Studies, Church History and Ministry continue to be pursued at PTC at a higher level. These form the core of the academic programme. Complementing the academic programme are courses offered by the Institutes through the involvement of their Directors. All contribute to preparing students for a life of Christian leadership and service. At PTC a deliberate effort is made to train the future leaders of the churches as pastor-scholars. The goal is to equip ministers to respond pastorally and think critically; to attain the necessary academic standards needed in a teaching ministry; and to awaken their social consciousness to enable them to exercise leadership in social justice ministries.

Consistent with this is its commitment to the ecumenical movement with its vision of the church's mission, the global and multi-cultural character of Christian ministry in the modern world and the ultimate unity of the Body of Christ.

The College offers a rare opportunity to pursue theological studies in a vibrant ecumenical community. Its various academic and professional programmes

are delivered by a faculty of renowned scholars from around the globe. Their efforts are complemented by one of the finest theological libraries in the South Pacific.

In its educational work, PTC strives to provide a context in which students and teachers may explore and nurture their vocational commitments while becoming biblically, theologically, historically and pastorally informed and competent in the diverse skills necessary for ministry. PTC offers an integrated curriculum in which the historical and contemporary resources of the Church's thought and practice are in constant, mutual interaction with the contributions of our diverse cultures. Equally important, PTC offers a life of worship, spiritual development and mutual Christian care which leads us to respond to God in Jesus Christ.

The ecumenical spirit is fuelled by the presence of students and staff representing different denominations in the Church. Their historical church roots and experience, expressed in a variety of cultural norms and perceptions, all combine to make PTC a vibrant and exciting place. The challenge posed by 'diversity in unity' is in essence a theological process of reconfiguration in terms of meaning and application. If you are open and passionate about the challenge of ecumenical formation, then I invite you to familiarise yourself with our programmes. If in the end you decide to come and study at PTC, be assured of the welcoming nature and exciting possibilities that await you on your arrival.

God's blessings and peace surround you always.

ABOUT THE COLLEGE

MISSION STATEMENT

The Pacific Theological College is an ecumenical tertiary theological institution that serves the churches of the Pacific region.

PURPOSES AND OBJECTIVES

- To be a means of making evident and strengthening our obedience towards the visions of ecumenism and oneness in Christ.
- To share with the world the 'Pacifinness' and distinctive insights which God has given to Pacific Christians.
- To make available to the world the College's missiological focus as reflected in its curriculum and programmes.
- To assist in providing for the Pacific churches a highly trained indigenous ministry and leadership.
- To provide biblical, theological, and ecumenical training to the various contexts of the Pacific, its cultures and current situations.
- To enrich the community by the presence of faculty and students from various backgrounds sharing the gifts which God has given to each; thus enabling the churches of the Pacific to be led to a deeper gratitude for the richness of God's grace and to a readier obedience to God's will.
- To provide advanced theological study, research and the pursuit of academic excellence in Pacific contexts in order to serve the needs of the Pacific Churches in their co-operative ministry and mission.
- To provide and work towards professionalism in practical ministries, especially in training for mission, Christian education, pastoral care and counselling, worship and liturgy, spirituality, homiletics and evangelism.

DOCTRINAL BASIS

The doctrinal basis on which the churches co-operate in this College is the faith of the Church catholic as it is expressed in the Bible and the Apostles' and Nicene Creeds. We believe that the Holy Spirit continues to interpret this faith in the life and witness of the participating Churches.

ACCREDITATION

The Pacific Theological College is recognized by the Fiji Higher Education Commission. In addition, the Master of Theology and Bachelor of Divinity degrees at PTC are accredited by the South Pacific Association of Theological Schools.

A BRIEF HISTORY OF PTC

IN THE BEGINNING

Striking social, economic and political changes in the Pacific region in the fifteen years following World War II stimulated the various island churches and missions to confer regarding questions facing the church about its own life and about its responsibility to the communities in which each denomination and mission found itself.

With the help of the International Missionary Council, conferences with Pacific-wide participation were held in April and May of 1961. These recognised the need for a central institution which would provide theological education at a higher level than was available within the Pacific at that time, an education which in a number of ways would better prepare leaders for the churches in the new Pacific that was coming into being.

The Dudley House consultation, which was specifically on theological education, made plans to enlist the cooperation of all church bodies involved in theological training in the Pacific for a central educational institution, and in September 1962 a negotiating committee met in Suva and drew up specific, detailed proposals for the founding and operation of such a college. PTC thus became the first educational institution, secular or religious, within the region to offer studies at degree level and award an internationally accepted degree.

FOUNDING CHURCHES

The participating churches which gave initial formal agreement to and support for the founding of the Pacific Theological College (PTC) came from four denominational traditions: Anglican, Congregational, Methodist, and Presbyterian/Reformed (ÉgliseÉvangélique). During the preliminary stages and at various times subsequently, Lutherans and churches representing unions among various traditions have also supported the College. These

several traditions are represented on the governing body of the College, the College Council. The following Churches are the owners of the Pacific Theological College:

The Anglican Diocese of Polynesia, The Anglican Church of Melanesia, The Congregational Christian Church in Samoa, The Congregational Christian Church in American Samoa, The Cook Islands Christian Church, The Ekalesia Kelisiano Tuvalu, The Ekalesia Niue, The Kiribati Uniting Church, The Nauru Congregational Church, The Evangelical Lutheran Church of Papua New Guinea, The Free Wesleyan Church of Tonga, The Methodist Church in Fiji and Rotuma, Samoa Methodist Church, The Presbyterian Church of Vanuatu, The Etareti Porotetani Maohi, The Protestant Church of Kanaky, New Caledonia (L'e'glise Protestante de Kanaky, Nouvelle Calédonie), The United Church in Papua New Guinea, The United Church in the Solomon Islands, The United Church of Christ in the Marshall Islands and The United Church of Christ in Pohnpei.

THE COUNCIL OF PTC

The Council of PTC has overall authority to determine the policies and finances of the school, and through its Executive (which is appointed by the Council) assists the Principal and staff to implement its decisions and to see to the ongoing programme of the College.

The Principal of the College, subject to Council directives and constitutional provisions, has final control of all the internal affairs of the PTC and responsibility for its common life and the academic and religious welfare of all students. The Principal works very closely with his colleagues in the Faculty in carrying out these responsibilities, and the teaching staff share in the administration when asked. At present, eight full-time lecturers deliver the academic programme, together with contributions from the Principal and the Director of the Education by Extension Programme and a few outside assistants.

These together with the Registrar, Director of the Institute for Mission and Research, Director of Finance & Administration, Director of Women's Fellowship Development Programme, office staff, support staff and Etina Havea staff comprise the thirty plus staff of the College. The teaching staff is assisted in maintaining standards of teaching and examination by a Board of Graduate Studies which includes international scholars.

By the authority of the Council, PTC currently awards the following degrees, certificates and diplomas to those who have completed the set requirements:

- Certificate in Women's Ministry Studies
- Certificate in Women's Ministry Studies & Theology
- Certificate in Theological Studies [only via PTCEE]
- Diploma in Theological Studies [only via PTCEE]
- Undergraduate Certificates [in four different fields of study]
- Undergraduate Diploma [in Pastoral Counselling]
- Bachelor of Divinity
- Bachelor of Divinity (Honours)
- Post-Graduate Diploma in Theology
- Master of Theology
- Doctor of Philosophy

The MTh programme began in 1987 with a concentration on Pacific Church History. Programmes in other disciplines have been added since: Biblical Studies in 1989, Church Ministries in 1992 and Theology in 1993. From 1999 onward, an integrated MTh programme has been offered. Since 1993, all MTh students who complete the first year of the programme with a grade average of at least a C are awarded the Post-Graduate Diploma in the discipline being studied. In 2004, PhD studies were introduced in partnership with Charles Sturt University (Australia). The agreement was reviewed in 2007 and the College Council, having deliberated carefully on the matter decided to terminate PTC's participation. During the same meeting, the Council further decided that as from 2008, PTC will offer its own PhD programme.

It is worth pointing out that the thesis component of all postgraduate work at PTC is always examined externally by regional and international scholars outside of PTC in order to safeguard the College's international standing.

THE COLLEGE CHAPEL

The College Chapel was built by contributions from all the Christian churches of the Pacific, including the Roman Catholic Church. In December, 1968 it was dedicated to the memory of the hundreds of Islander missionaries who proclaimed the Gospel across the full expanse of the Pacific. As each church made its contribution, it also presented a list of

as many of its own missionaries as could be remembered who went overseas to other island groups, and these names were inscribed on a scroll which is kept in the College archives.

FORMER PRINCIPALS

1966-1971: The Reverend Dr George A. F. Knight

From the opening of the college in April 1966 under the leadership of the first Principal, the Reverend Dr Knight, PTC established an international reputation for quality theological education at degree and diploma levels, particularly in the three core areas of Biblical Studies (including biblical languages), Theology, and History of Christianity. At that time the buildings on campus (the teaching and office block, single students' dormitory, staff houses, and the first married students' flats) were completed with the help of a block grant from the Theological Educational Fund (late renamed as Ecumenical Theological Education, or ETE) of the World Council of Churches, as well as contributions from mission boards, and individual donors. During that time, funds were also raised for a fine library building which now graces the College.

1972-1976: The Reverend Alan Quigley

The Reverend Quigley encouraged the development of the Field Work Programme, and emphasised Pastoral & Development Studies. More attention was given to the Pacific orientation of the curriculum and College life.

1977-1981: The Reverend Dr Sione 'AmanakiHavea

The Pacific orientation of the curriculum and the broader development of College life were brought to fuller fruition during Rev. Dr. Havea's tenure as Principal. A unique Women's Programme was developed for student wives and other women involved, besides the establishment of the Programme, the building of a child-care centre and more flats for couples and single women.

1982-1988: The Reverend Ilaitia Sevati Tuwere

The Reverend Tuwere became the fourth Principal of the College at a time when new opportunities and challenges had presented themselves - particularly a request to develop a graduate programme at Master's level. Under his leadership this programme was begun. In 1989 he left to undertake doctoral studies at the Melbourne College of Divinity. He returned to PTC in 1993 to take up a lecturing position in Theology.

1989-1991: The Reverend Dr Sione Latukefu

During the three years of Rev. Dr Sione Latukefu's principalship much was accomplished, including extensions to the Etina Havea Centre, the building of six student flats, two classrooms and four staff offices, the beginning of the Women's Centre, and the strengthening of the academic programme. For health reasons, Dr Latukefu was forced to cut short his stay at the College at the end of 1991.

1992-1994: The Reverend Dr Faitala Talapusi

Rev. Dr Talapusi facilitated the development of the new contextual curriculum.

Jan.-Dec. 1995: The Reverend Dr Samiuela Toa Finau

Rev. Dr Finau was Acting Principal for a year.

1996-2001: The Reverend Dr Jovili Iliesa Meo

At the November 1995 Council meeting, the Reverend Dr Meo was appointed as the seventh Principal of the College. Under his leadership the development of the extension programme and the extension of the main building to house the extension programme saw fruition. His tenure also saw the extension of the College Chapel to cater for the increasing number of the PTC community. He also helped to establish the God's Pacific People Programme.

Jan. 2002- Present: The Reverend Prof. Dr.Uili Feleterika Nokise

The Reverend Dr Nokise became the eighth Principal in 2002, and continues to serve the College in this capacity.

ACADEMIC POLICIES

A. ASSESSMENT: SYSTEM OF GRADING

1. The following system is used to grade students' coursework. It should be noted that the grading criteria for each course, as well as the relation between assignments, exercises, tests and examinations are set by the lecturer concerned, though within the overall College framework.

Grade Category	Grade Number	Grade Points	Grade Classification
A+	90-100	10	Outstanding
A	85-89	9	Excellent
A–	80-84	8	Very Good
B+	75-79	7	Good
B	70-74	6	With Merit
B–	65-69	5	Fair
C+	60-64	4	Adequate
C	55-59	3	Pass
C–	50-54	2	Marginal pass
D	45-49	0	Not a Pass (must be raised)
F	Below 45	0	Failure (must be redone)
I		0	Incomplete (completion due)

Other grade categories and classifications:

S	Satisfactory
U	Unsatisfactory
Aud	Audit
W	Withdrawal

Grade category: Courses which assess students' work based on a fine-grading system indicate the course grade by means of the grade category in the first instance.

Grade number: Courses which assess students' work based on a fine-grading system use the grade number so as to more precisely show how the relevant work has been assessed. For example: "B+ / 78".

Grade classification: this is offered as a descriptive label for each category, but it is not usually spelled out in individual course grades.

Grade points: this system is being phased out; it is only used for grade average calculations where grade numbers are not available.

Courses which do not use fine-grading usually indicate performance by means of the classification ‘satisfactory’ or ‘unsatisfactory’. –

‘Successful completion’ of any individual course means a grade category above ‘D’, or an ‘S’.

2. BD (Hons) and MTh theses are graded as follows:

Grade Classification	Grade Number
Pass with High Distinction	90 – 100
Pass with Distinction	80 – 89
Pass with Merit	70 – 79
Pass	50 – 69
Fail	Below 50

The grading system for PhD dissertations is indicated in the PhD regulations.

B. ACADEMIC REGULATIONS

1. Candidates whose cumulative grade average is below grade number 55 at the end of the first year of studies (full-time or equivalent) or at the end of any subsequent semester-half will be placed on academic probation. This status may be removed only by raising the average to grade number 55 or above by obtaining higher grades in subsequent courses.
2. Students are not permitted to take a full load of courses when carrying more than one I (**Incomplete**) grade from the previous term. Students who carry more than one I grade will lessen their normal course load by one course for each I grade they carry; e.g. a student carrying two I grades will only be able to take two courses. Such a situation can be avoided by the student completing the incomplete courses before the end of week two (course change deadline) of the new **semester half**.

3. An **I grade** not made-up by the week preceding the next registration week will be changed automatically to an F by the Registrar at the beginning of that registration week. Students who receive one or more I grades in two consecutive **half semesters**, or more than two I grades in any one **half semester**, will undergo a review by the Dean, who will assess their ability to continue in the programme in which they are enrolled.
4. An **F grade** in a course means that the student must repeat the course and pass it. Whether or not the student has to attend all classes will be determined by the lecturer concerned.
5. A **D grade** in a required course means that the student has to raise the grade by re-sitting the examinations and/or by submitting assignments as assigned by the lecturer concerned.
6. A student may request **an upgrade** of a final grade for a course under the following conditions: (1) The student must make the request to the lecturer concerned within one week of the release of the grades by the Registrar each semester-half. For the **last semester-half**, the upgrade of a final grade for a course will be possible in the first week of the first semester-half of the following year.(2) The lecturer must then inform the Academic Dean within one week of the request. The Academic Dean will determine the ability of the student to improve based on previous and present performance. (3) The lecturer will assign the student a substantial piece of new work, which will have to be completed by week six of the following **semester-half**. (4) The grade can only be improved by one letter grade, e.g. from a B to a B+. (5) An upgrade of more than one letter grade can only be granted in exceptional circumstances, and must be formally requested in a letter from the student to the Academic Dean.
7. A student who, for some legitimate health reasons, is unable to complete a course, may be assessed on his/her course performance and may be given an “aegrotat” pass at the discretion of the lecturer responsible, in consultation with the Academic Dean. In highly exceptional circumstances beyond the student's control, such as the withdrawal of a student by a sponsoring church during or after Week 5 of a semester-half, a lecturer may also grant a “compassionate” pass, following consultation with the Academic Dean, and with explicit approval of the Faculty in each case. Compassionate or aegrotat passes are not classified or fine-graded; they count as successful completion of a

course, but are not taken into account for the calculation of the total grade average for the degree.

8. Assignments will not be accepted after the due date unless the lecturer concerned has been approached beforehand and has given his/her agreement for an appropriate extension of grace period.
9. Written assignments for a 100 learning hour course will not normally exceed 4.000 words (degree-level) or 6.000 words (postgraduate level) in total for the whole course. The word count does not include the bibliography.
10. Language courses are not normally for audit since daily preparation of the course work is essential to these classes.
11. **Class attendance** in courses taught in a residential / face-to-face setting is obligatory. Excessive lateness may be counted as absence. A student must inform the lecturer ahead of time (if possible) if she/he is unable to attend class. If a student is absent for more than 15% of classes, he/she must bring a medical doctor's certificate to the Registrar. Any further absence will usually have an adverse effect on the student's final grade for the course, i.e., if a student is absent for more than 15% of the classes without a valid excuse, the lecturer may deduct 2 grade points per hour missed beyond the 15% limit. A lecturer may decide to be more lenient in the case of students who are absent for documented medical reasons. If a student is absent for 40% or more of class time (e.g., 12 or more hours out of 28), the lecturer may decide to issue a 'Fail' grade, regardless of the student's performance in assessed work submitted up until that point. This also applies to students who are absent from class for documented medical reasons.

C. COMPUTER LITERACY

Computer courses are offered for all first year students who are not sufficiently computer literate. Students must satisfactorily complete the course assigned to them.

D. GENERAL POLICIES AND INFORMATION

1. Poor Academic Practice, Plagiarism and Cheating

This section focuses on cases of plagiarism and poor academic practice in *assignments* relating to *coursework*.

In Pacific cultural contexts, as elsewhere, the acknowledgement of ownership of property is an expected custom. In the academic setting, failure to abide by the above virtue is recognised as plagiarism and cheating. It is clear that plagiarism and cheating are morally wrong, and academically unacceptable practice. Students, therefore, need to see them as ethical and cultural offences as well as academic misconduct.

a. Plagiarism and poor academic practice are defined at PTC as using someone else's words or ideas without giving clear acknowledgement of the source of those words or ideas. This includes direct copying of single words or groups of words from printed sources such as published books, journals, manuscripts, or any other media (e.g., electronic texts) without acknowledgement. It also includes using ideas that have been read or heard, even when they are presented in different words from those in the original, without acknowledging the source. Plagiarism is a deliberate, intentional act; poor academic practice is unintentional. Neither is acceptable.

- If a lecturer discovers *poor academic practice* in any assignment or other work produced as part of the student's programme of studies, the lecturer gives the student one chance to redo the paper. If it happens again, the student receives an 'F' for the course. If it happens again in another time or another course an 'F' grade is given for that course.
- If a lecturer discovers any *plagiarism* in any assignment or other work produced as part of the student's programme of studies, the lecturer gives the student one chance to redo the paper. The re-submitted paper will not be graded above the grade category 'B'. If it happens again, the student receives an 'F' for the course. If it happens again in another time or another course an 'F' grade is given for that course.
- If a student believes that he/she has been wrongly charged with plagiarism or poor academic practice, an appeal can be made through the student's adviser to the Principal who will begin an appeal process, which will involve the Academic Advisory Committee. This committee will make a recommendation to the full faculty, who shall make a final decision.
- Lecturers will inform the Academic Dean of every instance of student plagiarism or poor academic practice they encounter. The Academic Dean will maintain a list of students of who have produced work

deemed to constitute poor academic practice or plagiarism. The list is distributed to teaching faculty whenever it is updated.

- b. Cheating** is understood as any dishonest act in which a student deliberately deceives others in order to gain an unfair advantage. This includes looking at and copying another person's work with or without permission of the person who did the work originally. It also includes the case of a student asking someone else to write assessed work for him-/herself.
- If a staff member determines a student has cheated, he or she will first discuss the matter with the student concerned. If the student denies the charge, an appeal can be made through the student's adviser to the Principal who will begin an appeals process, which will involve the Academic Advisory Committee.
 - If it is determined that cheating has taken place, a grade of "F" will be given to the assignment or examination in question and the matter will be reported to the Principal. The case may be brought to the faculty at the discretion of the Principal.

2. Plagiarism, Poor Academic Practice, and Thesis Examination

This section focuses on cases of plagiarism and poor academic practice relating to the *examination* of a *thesis* or *dissertation* produced by a student in an academic award programme at PTC.

It should be pointed out that in some countries, plagiarism and poor academic practice may have legal consequences, depending on local copyright law, and this affects the way some tertiary institutions deal with plagiarism in theses and dissertations. This does not generally appear to be the case in Fiji, and we therefore need not entertain such legal matters here. The current Academic Policies of PTC defines plagiarism and poor academic practice as ethical, cultural, and academic misconduct.

a. Definitions / Clarifications

- Poor academic practice (henceforth: PAP) is unintentional in the sense that it occurs due to a lack of basic academic writing competence. Plagiarism (henceforth: P) is a deliberate, intentional act to mislead the reader of a text with regard to the origins of the text produced. There are borderline cases where it is difficult to decide whether a particular instance constitutes P or PAP: intent is sometimes hard to prove. In such cases, the student should be given the benefit of the

doubt (i.e., assume that it is PAP and not P). In general terms, however, if it is found that a student has actively taken steps to hide the fact that his/her work was taken from a source (without appropriate referencing), this should be taken as pointing to P rather than PAP. Nevertheless: neither P nor PAP is acceptable.

- Neither PAP nor P can be tolerated in academic work, and especially not in thesis work. However, since P is by definition intentional (that is, the intention is deliberately to mislead the reader), the consequences may be more serious.
- For example, pervasive plagiarism in a thesis at examination stage may lead to the thesis being failed (without a chance of resubmission). Persistent poor academic practice, on the other hand, may lead to the thesis being rejected, with the option of resubmission.
- Examiners who notice P or PAP must fully document the case, so that other persons involved in the process can easily identify the text portions affected, as well as the source.

b. Responsibilities and Preventative Measures

- It is the student's responsibility to produce work that is academically acceptable.
- The College provides clear documentation on appropriate referencing, as well as individual and/or group support to explain appropriate writing and referencing techniques.
- The role of the supervisor is to advise the student, which includes spot checks on student work throughout the writing stage. All supervisors at PTC will participate in annual in-house training designed to spot P and PAP in students' work.
- Computer-based, automated anti-plagiarism services may be used (if available), but should never be relied upon exclusively.

c. Draft Stage Procedures

- Anyone who notices P or PAP in a student's thesis or dissertation drafts prior to the submission of the work for examination should contact the supervisor. The supervisor will discuss the issue with the student in line with general P & PAP procedures at PTC.
- If a thesis-writing student repeatedly fails to heed the advice of the supervisor with regard to P & PAP, the case may be taken to Faculty

via the Academic Dean, who, in severe cases, may decide to terminate the candidacy of the student concerned.

d. Examination Stage Procedures

- If an examiner notices P or PAP in a candidate's thesis or dissertation once it has been submitted for examination, he/she should immediately contact the Academic Dean of the College. This should take place before the oral defense stage.
- If there are only two or three isolated examples of P or PAP in the entire thesis or dissertation, the examination process can continue (the candidate will be informed about these isolated examples, and will be required to change them in the final version).
- If the evidence points to pervasive use of P or PAP, the Board of Examiners has the following options:
 1. The thesis or dissertation may be rejected without the possibility of resubmission, if there is considerable evidence of substantial plagiarism in several parts of the thesis.
 2. The thesis or dissertation may be returned to the candidate, together

with the evidence for P and/or PAP, and the candidate will be asked to rewrite and resubmit the thesis within a specified period of time.

content-related suggestions or criticism should not be included at this stage. This option is advisable if the evidence points to poor academic practice in the main, rather than plagiarism. The rewritten and resubmitted thesis / dissertation will be re-examined, and the examination process continues as before. If the resubmitted dissertation still shows substantial evidence of either P or PAP, the Board of Examiners should consider rejecting the thesis. It is the candidates' responsibility to rewrite the thesis in such a way that no further instances of P or PAP appear. The supervisor/sand the Academic Dean (or any other appropriate person appointed by the Academic Dean) will provide advice to the student.

- Examiners do not need to work through the entire thesis to highlight each and every point where P and/or PAP has occurred: a selection of at least six passages will suffice.

e. Post-Examination Stage Procedures

- Anyone who notices P or PAP in a thesis or dissertation that has been passed by the Board of Examiners, before or after the degree has been formally awarded, should contact the Academic Dean and the

Principal of the College. If there is substantial evidence, the following steps must be considered:

1. If the degree has not yet been formally awarded, the Board of Examiners will be asked to reconvene to assess the evidence, and to take appropriate action. Any formal award plans (e.g., graduation) will be on hold until the case has been resolved.

2. If the degree has already been formally awarded, the Board of Graduate Studies (BoGS) will assess the evidence and decide on appropriate action, which may include withdrawing the degree award. The BoGS may ask suitably qualified person/s to provide an expert report on the case to help the BoGS in this process. If the Board of Examiners or the Board of Graduate Studies concludes that the degree should be withdrawn, such a recommendation must be presented to the Council of the College (or its Executive Committee) for approval.

f. Appeal Procedures

- The candidate may appeal decisions with regard to plagiarism and poor academic practice. Any such appeal should be directed to the Board of Appeal no later than 30 days after the candidate has been informed.

3. Registration

- The student **must** consult his/her adviser on academic planning before registration.
- The student **must** register for every course she/he intends to follow either for credit or audit. If the student is not registered in any course, she/he cannot be given a grade for it.
- Registration **must** be completed by the end of the registration period as scheduled on the College Calendar.
- There will be an additional fee of \$72.00 for **late registration**.
- Changes to course registration **must** be completed by the second week of lectures each semester, as scheduled in the College Calendar.
- If a student **withdraws from a course** after the second week of lectures, a "W" will appear on his/her transcript for the course. Withdrawal is only possible *before* the deadline for the last piece of assessed work for the course concerned has passed. A part-time student who withdraws from a course before the fifth week of lectures will be refunded half of the course fee. No refund will be given for any later withdrawal.

Students wishing to audit courses may do so if they have the approval of both the lecturer concerned and their own adviser. Auditing a course carries no credit though the course will appear in the transcript with the appropriate symbol (AU). Textbooks for the course will not normally be issued to those who audit unless spare copies are available.

4. Processing of student's grades

Lecturers are usually required to submit grades for each semester-half to the Registrar during the first week of the following semester-half. Grades for semester-half 2B must be submitted to the Registrar on the Wednesday following Assessment Week for graduating students and on the orientation week for continuing students.

Departments are required to discuss all course grades within the department prior to handing them in to the Registrar. Grades should be submitted both in grade number and in grade category.

The Registrar processes the grade information before submitting it to the Faculty Meeting for approval.

All grades given by lecturers are provisional until they are approved by the Faculty Meeting.

5. General Thesis and Dissertation Regulations

Language

Theses written at PTC, whether at Bachelor, Masters, or doctoral level, are examined by qualified, independent examiners (i.e., not PTC faculty members) from the region and beyond. Therefore, any thesis produced at PTC is to be written in the English language, and must be written in a formal, academic style acceptable in an international context. Any words, phrases, or text excerpts from another language (such as Greek, Hebrew, Fijian, Bislama, French, etc.) must be additionally translated into English.

The use of proof-readers is encouraged.

Special permission to write the entire thesis (or substantial parts thereof) in a language other than English without a translation into English may be requested in cases where the topic demands this. Such permission must be obtained, in writing (via the supervisor and the Academic Dean), from Faculty. Copies of the document confirming such permission must be included in an appendix to the thesis.

Thesis Declaration

Every thesis written as part of the requirements for a particular degree programme at PTC must include the following thesis statement (signed by the student):

I, the undersigned, hereby declare that this thesis, which is words in length (excluding the bibliography and front matter), has been written by me, that it is the result of work carried out by me, and that it has not been submitted, either in whole or in part, in any previous written work for an academic award at this or any other academic institution.

I also declare that this thesis has not used any material, heard or read, without academically appropriate acknowledgment of the source.

Copyright Statement and Supervisor's Approval

Once the thesis or dissertation has been examined and passed, and any changes required by the examiners have been approved by the supervisor, the following copyright statement is printed on a separate page prior to lodging the final version of the thesis or dissertation with the library of PTC, via the Academic Dean. On the same page, the supervisor indicates his/her approval of the changes made in response to the examiners' requirements by means of the following statement:

I, the undersigned, hereby grant limited copyright to my thesis or dissertation to the Pacific Theological College. The College is entitled to

- make printed copies available for fair academic use in the library of the College, and, if the College so chooses, to make printed copies available, in part or as a whole, to individual researchers or institutions;
- make electronic copies available for fair academic use, either online (by the College itself or via

another institution) or in other electronic formats.

I understand that, notwithstanding the above, the College will not publish my work for commercial purposes that I have copyright of my work and am therefore at liberty to publish my work independently, with or without revision, in part or as a whole.

Date: _____

I, the supervisor or acting supervisor of this student's thesis or dissertation, have sighted the final copy of the thesis and confirm that the student has made the changes required by the examiners.

BD (Hons) and MTh Thesis Process

It is the student's responsibility to approach their advisor, the appropriate department, or, if in doubt, the Academic Dean, at least two months before the thesis writing stage begins, so that a suitable supervisor is allocated from within the teaching faculty.

The thesis work required as part of the BD(Hons) and MTh programmes is characterised by tight deadlines, which are designed to ensure that students can graduate at the end of a given academic year. A student who misses one or more deadlines in the process cannot be guaranteed graduation at the end of a given year even if the thesis is awarded a pass-grade. It is the responsibility of each student to submit work at the appropriate time(s). The specific deadlines for a given academic year will be published separately for each academic year.

6. BD (Hons) and MTh Thesis Examination Process

a. All thesis examination information is highly confidential. Names and reports of examiners (and nothing else) will usually be released to the student concerned after the faculty meeting that approves the grade, though the name

will be released only if the examiner concerned has explicitly agreed to the release of his/her name. **Therefore, information about the examiners will not be released to the student (let alone anyone else) until and unless the faculty meeting has explicitly authorized someone to do so, and only once the thesis grade has been approved by a faculty meeting.** In addition, only the final grade agreed upon by faculty will be released, but not the individual grades allocated by the different examiners. Reports that are shared with students must therefore be edited in order to delete grade information.

b. In June/July¹ each year, all departments will contact potential examiners. For all these theses, we will require three suitably qualified persons: two examiners and one potential moderator (see below). Once the required information (see below) has been obtained, and the examiners have agreed, the department forwards that information to the Academic Dean (hereafter: AD).

c. We will take the following criteria into consideration when it comes to the selection of the thesis examiners:

- Past experience of using this particular examiner (e.g.: has the examiner been late before, or failed to provide an academically sound report?).
- Is the examiner suitably qualified for a given thesis? Please note that this is not simply a matter of what degrees this person holds. However, in general terms, the minimum academic qualification for a BD (Hons) thesis examiner is a Master's degree (PhD preferred). For a MTh thesis, examiners should hold a PhD (in exceptional cases, a Masters degree). Examiners should have teaching experience at the level of the thesis examined.
- At least one of the examiners should be a Pacific Islander, if possible.
- The examiner should not work at the College where the student may be working in future, or be a high official in the student's church.
- All examiners should be external to PTC (i.e., not someone who is currently employed at PTC). In exceptional cases, a BD (Hons) thesis may be examined by someone who works at PTC.

¹Occasionally, a student who has been granted an extension might submit the thesis considerably earlier (i.e., out of turn with the normal date of submission). In such a case, the examination process might start earlier.

- No person who has been involved in the supervision process or who has given advice to the student on his/her written thesis work should be asked to examine the thesis.

d. For every examiner, the AD needs to be supplied with the following information for record purposes, bearing in mind that PTC needs to account for its decisions when it comes to accreditation (SPATS / FHEC):

- Full name/s and formal address (titles), such as 'Rev. Dr'.
- Email and postal address (in case we need the latter for the courier service).
- Information as to whether the examiner requires a printed thesis (normally we only send the electronic copy: WORD and PDF files).
- Reasons why the examiner is thought to be appropriate for this particular thesis, especially if the person does not have an obvious background in the particular discipline.

e. The thesis is sent to the two examiners within two days after the submission deadline stipulated in the Handbook (currently: 5 September 2017). Examiners are requested to complete a report and to allocate a grade number within four weeks. The moderator will be asked to be ready at short notice to moderate that examiners' grades, if necessary (see below).

f. The Academic Dean informs the examiners and the moderator about the thesis examination process (e.g., the grade number and category system used at PTC), and requests personal details for the payment of the honorarium.

g. If the difference between the grade numbers given by the two examiners is 14 or less (e.g., 55 and 69, or 80 and 88), a simple arithmetic mean (average) calculation determines the final grade. If the average results in a fractional component (e.g., 82.1, or 55.8), the result is rounded up or down (rounded down if it is .4 or less, and rounded up if it is .5 or more).

h. The moderator is used only

- if the difference in grade numbers between the first and second examiner is equal to or greater than 20 points, or
- if one of the examiners awards a grade number below 50.

The moderator will be asked to determine a final grade together with a brief report that explains the rationale for the decision. The final grade must be within the grade number range of the first and second examiner; i.e., if the

first examiner gives a grade of 55, and the second a grade of 80, the moderator must allocate a grade number of at least 55, and no more than 80. The moderator should provide a rationale for that decision (i.e., the decision should not be based on a simple arithmetic mean). The moderator will be sent the thesis as well as the reports and grades given by the two examiners.

i. In order to allow this process to take place, examiners will be asked to complete the examination within four weeks, and the moderator will be asked to be prepared to perform the moderation exercise within three weeks, at short notice. For example, using 2018 dates:

- The submission deadline for students is Tuesday, 4th September.
- Examiners will be sent the thesis by Thursday, 6th September, and they will be requested to complete the examination by Thursday, 4th October.
- If moderation is required, the moderator is provided with the thesis and the examiners' reports and grades by Tuesday, 9th October. The moderator's report and grade would be due by Tuesday, 30th October.
- The final faculty meeting would take place by Saturday, 10th November.

j. To avoid time-consuming courier delivery, we request all examiners to work with the PDF file of the thesis.

k. Once reports from the examiners come in, the Academic Dean forwards the reports to the supervisor / department concerned. The supervisor produces an edited version of the report for the student which focuses on changes the student is required to make before the thesis is submitted to the library, and prior to graduation. This edited version must be approved by the Academic Dean before it is given to the student. The full reports of the examiners (in which grade details are deleted, as well as the name of the examiner, if s/he wishes to remain anonymous) is released to students after the final faculty meeting which determines the grades.

l. The 'pass' grade category is 50-69.

m. BD(Hons) and MTh thesis examiners will be given the explicit option of rejecting the thesis with the option of resubmission. This may be considered if the thesis cannot pass as it stands, provided the examiners are of the opinion

that a substantially rewritten thesis might pass. Substantial rewriting implies a revision that takes at least six weeks.

7. Awarding of Degrees

Requirements are set as criteria for a successful completion of any of the degrees. These requirements have to be satisfied fully prior to the awarding of the degree in question. Neither the certificate for the academic award nor the academic transcripts will be issued to students who have not settled their debts in full.

8. Community Prizes

The award of the following community prizes may be considered:

The **John Tidex Prize for Community Work**, to be awarded to a male student or community member's outstanding contribution to the PTC community.

The **Fiona McAdam Prize for Community Work**, to be awarded to a female student or community member's outstanding contribution to the PTC community.

The **Jean Bell Prize for Leadership and Example**, to be awarded to female community member who has demonstrated outstanding qualities in leadership.

E. RESEARCH SEMINARS

Postgraduate students (i.e., PgDipl, MTh, PhD) participate in relevant research seminars:

- the *Departmental Seminars* (all postgraduate students associated with that department),
- the *Common Thesis Seminar* (all postgraduate students), and
- the *PhD Seminar* (PhD students).

Further details are spelled out in the individual academic award regulations. Part-time students who are not resident on campus may be exempted from some of these obligations.

PTC research seminars are of immense value and benefit to students and faculty alike. Please commit to them for these important reasons:

- we gain confidence by presenting our own work clearly and helpfully to others;

- we learn from a variety of responses to our own work and therefore improve it;
- we listen to and learn from the work of others, offering critique and encouragement;
- we enhance our theological knowledge base and academic presentation skills;
- we model Pacific inter-relatedness through mutuality in theology and scholarship.

F. SPATS AND FHEC REGULATIONS

The College is in the process of changing its regulations in order to achieve compliance with the new Accreditation Standards & Guidelines of the South Pacific Association of Theological Schools (SPATS) and the Qualifications Framework of the Fiji Higher Education Commission (FHEC).

Some of the required components of this change are already integrated into the various academic award regulations in this edition of the PTC Handbook (e.g., learning hours). Other aspects of the required changes, which are mostly of a terminological nature, will be completed in 2016. The Handbook will be updated once this process is complete.

Nevertheless, in principle PTC already operates with the required system of learning levels (LL), notional learning hours (NLH) and credits (C). *These details will be printed in future editions of this Handbook.* This will allow us to indicate

- the learning level (LL) at which work in a given course is carried out;
- the notional learning hours (NLH), i.e., the estimated length of time which a student would have to spend in order to achieve the desired learning outcome for a given course or award; and
- the credits (C) given towards a particular academic award, which are associated with a given academic learning process.

Notional learning hours and credit points stand in a relation of 10 to 1: that is, one credit point represents ten notional learning hours (e.g., a course with a 100 NLHs attracts 10 Cs).

G. COURSE CODE SYSTEM

The course code system currently used at PTC establishes a unique relationship between course code and course title which does not change from year to year. A given course code has five parts, each consisting of a single

letter or a double-digit number. The letters I, J and O are never used (to avoid confusion: I/J/L or O/O).²

Level	Discipline	Requirement	Mode	Number
Single letter	Double-digit number	Single letter	Single letter	Double-digit number

Level codes

- W: Women's Programme Certificate courses;
- C: PTCEE Certificate courses;
- D: PTCEE Diploma courses;
- U: Undergraduate Certificate and Diploma courses;
- B: BD courses (regardless of BD/BDHons distinction);
- P: PgDipl/MTh courses.

Discipline codes

- 10: Academic Skills;
- 20: Biblical Studies;
- 30: Church History;
- 40: Church Ministry;
- 50: Theology & Ethics;
- 60: Interdisciplinary or 'other';
- 70: Research project / thesis.

Course **requirement** codes

- For the various Certificates and Diplomas at or below degree level:
 - R: Required
 - E: Elective
- For the BD and BD(Hons):
 - B: Required for the BD
 - F: Foundation course (by definition: required for BD)
 - H: Required additionally for the BD(Hons)
 - E: Electives (not currently in use)
 - N: Not credit-bearing (may be obligatory for certain students).

²These course codes might change in 2017, as a result of the changes in nomenclature used in the SPATS and FHEC Qualification Frameworks. We plan to add coded information on learning levels as well as academic credits (which are linked to learning hours): that is, the current code system will be built upon, but not fundamentally altered.

- For postgraduate courses (PgDipl, MTh):
 - C: Core course
 - S: Specialisation course
 - M: Thesis seminar

Delivery **mode** code

- D: Extension / distance education mode (that is, by distance only)
- F: Face-to-face / residential mode (that is, if a course involves a required on-site component)

Course **numbers**:

A double-digit number, in simple, consecutive sequence. New or substantially revised courses are given the next higher number available.

PURPOSE AND OBJECTIVES

The PhD degree provides the opportunity for the candidate to pursue independent research in a specialised topic that reflects scholarly, Pacific and ecumenical interests. There is expected an original contribution to be made in that particular field of study. The quality of the research should be of a kind expected of a conscientious and diligent student to produce within the timeframe designated for the degree, to be completed under the regulations for fulltime and part-time studies.

Those who do not pass will need to take and pass introductory language courses in either Hebrew or Greek at BD level.
3. A student shall present annually a seminar paper, with the approval of the supervisor, on a part of his/her research.
4. Confirmation of official candidature for full-time students shall occur only after one year of full-time studies, and on receipt by the Academic Dean from the supervisor of a satisfactory thesis proposal and progress report.

6. Confirmation of official candidature for part-time students shall occur after two years of part-time studies; and on receipt by the Academic Dean from the supervisor of a satisfactory thesis proposal and progress report.
7. If there is no confirmation of candidature for a part-time student, a provisional confirmation may be granted for a period up to two years, provided a satisfactory progress report has been received by the Dean by the end of the designated extended period.
8. If the candidature for a full-time student is still not granted after the one year extension period the student shall be required to withdraw from the programme.
9. If the candidature for a part-time student is still not granted after the two-year extension period, the student shall be required to withdraw from the programme.

C. DURATION OF STUDIES

1.Full-time Study

Enrolment should be on a fulltime basis if the programme to be followed represents the principal activity of the candidate. Full time study is no less than 3 years and no more than 6 years. The notional learning hours associated with each full-time year of study is 1200. It is to be expected that many students will need substantially more than the minimum period of 3 years to complete the programme.

2.Part-time Study

Enrolment should be on a part-time basis if the programme to be followed does not represent the primary activity of the candidate. Part time study may be completed in no less than 5 years and no more than 8 years.

D. SUPERVISORS

1. The Board of Graduate Studies, on the recommendation of the Academic Dean, in consultation with the relevant Head of Department, shall appoint a supervisor for the student. The Academic Dean, in consultation with the supervisor and the faculty, may appoint secondary supervisors to assist the supervisor with specific aspects of candidate's research. Any such supervisors that are not members of the College's teaching faculty shall be remunerated for their work.
2. During the first six months of the student's studies, the supervisor will work with the candidate on his/her thesis proposal. At the end of six months, this thesis proposal shall be submitted to the Academic Dean for approval.
3. In the case of a dispute between a candidate and a supervisor, which cannot be satisfactorily resolved by the Academic Dean, the Board of Graduate Studies shall have discretion to replace the supervisor.
4. For duties / expectations of supervisors and supervisees, see the College document entitled *Responsibilities of Supervisors and Responsibilities of Candidates*.

E. RESEARCH SEMINARS

1. Attendance of relevant research seminars is obligatory. PhD students will actively participate in the relevant postgraduate departmental seminars, the common thesis seminars, and the PhD seminar.
2. Part-time students may be partially exempted from this requirement. The supervisor, the Academic Dean, and the student will reach a consensus on this which takes individual circumstances into account.
3. PhD students will present a progress paper at least once a year in the context of the PhD seminar.

F. PROGRESS REPORTS

4. While a student is on probation, progress reports signed by the student's supervisor and the head of department shall be submitted to the Academic Dean on a six monthly basis.
5. Once the candidature has been confirmed, reports shall be submitted on an annual basis.

6. If a progress report is unsatisfactory, the Board of Graduate Studies, may, after appropriate consultation, recommend to the Principal to terminate the candidacy.
7. Progress report must include objectives and time frames for the student's work.

G. COMPLETION AND SUBMISSION OF THE THESIS

1. A candidate may not present a thesis which has previously been submitted for another Degree.
2. A thesis shall consist of about 100,000 words of text (inclusive of footnotes/endnotes), excluding appendices and bibliographies.
3. The candidate and the supervisor should be in agreement that the thesis is ready for submission. The Supervisor then advises the Academic Dean through writing of such intention a month prior to submission.
4. Four bound copies of the thesis shall be submitted for examination in accordance with the regulations as set out in the section "*Presentation and Defence*".
5. On receiving the four copies, the Academic Dean is to acknowledge through a letter to the student and the supervisor that the thesis has been submitted.
6. A written report from the supervisor must accompany the four copies of the thesis using the appropriate form for such a report.
7. The Academic Dean arranges for copies of the thesis to be released to members of the Board of Examiners.

H. EXAMINATION OF THESIS

1. Examiners

- a. A student's thesis shall be examined by three qualified examiners who are appointed by the Board of Graduate Studies on the recommendation of the Academic Dean after having consulted the Head of Department and the supervisor.
- b. A supervisor or an ex-supervisor cannot be appointed as an examiner.
- c. The Board of Graduate Studies appoints and authorises an independent Convener:
 - to convene the Board of Examiners;
 - to chair the Oral Defence; and

- to announce the results of the oral defence and/or any further action to be taken.
- d. The Convener and the Examiners constitute the Board of Examiners.
- e. The Convener is not an examiner of the thesis but a person who coordinates the Examiners' reports and submits a written report on the recommendation of the examiners.
- f. The identities of the examiners are not divulged to one another, nor to the candidate, until after their reports have been submitted.

2. Presentation and Oral Defence

There are two main components of the Defence process:

a. Written Report (Evaluation)

- Each Examiner shall provide a written report on the thesis, within eight weeks of having received it, using the Examiner's Evaluation Form with a preliminary recommendation towards a final result.

b. Oral Defence

- An oral defence is required within three months of submission of the thesis.
- The subject of the oral defence is the thesis of the candidate.
- The Convener of the Board of Examiners chairs the oral Defence of the thesis.
- Preferably all three examiners, but at least two must be present in the oral Defence, with one of them being the examiner from the Pacific Islands.
- Oral Defence is to be held at the Pacific Theological College. On an exceptional situation, an appropriate venue may be arranged with the approval of the Board of Graduate Studies.
- The candidate must pass the oral defence and have the thesis 'accepted' (with or without conditions; see section H.2.) in order to qualify for the degree.
- Once all examiners' reports are received and the date of the oral defence is set, the candidate will be informed of the date, the names of the examiners, and the content of the examiners' comments on the thesis, but not the preliminary recommendation towards a final result (see section G.2.a.). The candidate is not permitted to communicate with the examiners in respect of the examination process until the

entire examination process is complete, apart from the necessary interaction during the oral defence itself.

- At the end of the oral Defence, the Board of examiners recommendations are announced publicly by the Convener of the Board of Examiners.

I. RESULTS OF EXAMINATION

1. The results of the Defence are publicly declared by the Convener at the venue of defence.
2. The following conditions are to accompany the result of the examiner's assessment. (See also the **Academic Guidelines** above).
 - accepted with a pass.
 - accepted with minor editorial corrections (the corrections required are minor and can be completed within a month. The convener to check that the corrections have been made satisfactorily);
 - accepted after amendments have been made to the satisfaction of the Convener of the Board of Examiners in consultation with members of the Board. (The amendments required can be completed within three months.)
 - to be revised and resubmit for examination. (The thesis is not of the required PhD standard and requires substantial revision involving up to six months of work or more.)
 - rejected with no right of resubmission. (The thesis is not of the required PhD standard and there is no likelihood that a revision will bring it up to that standard.)

J. INFORMING THE CANDIDATE OF THE RESULTS

1. Once the results are decided, the Convener declares the results.
2. If the thesis requires further work, then the recommendations from the Board of Examiners shall accompany the Academic Dean's letter of notification to the candidate and the Supervisor.
3. In case of a 'rejection' of the thesis, the candidate has the right to appeal, within ten working days, the decision to the Board of Appeal.
4. The Board of Appeal shall meet at the earliest to consider this appeal; its decision shall be final.

5. The Board of Appeal shall consist of three qualified persons appointed by the Principal.

K. CONFERRAL OF THE DEGREE

1. The Council (or Executive) awards the Degree by endorsing the Board of Examiners' Examination recommendation.
2. The Chairperson of the Pacific Theological College Council will confer the Degree on the successful candidate during the annual graduation ceremony of the College.

MASTER OF THEOLOGY PROGRAMME

The PTC Master of Theology (MTh) programme began in 1987 and is accredited by SPATS. The programme is available full-time or part-time, and admission is usually granted at the beginning of every academic year.

Purpose

The MTh is an advanced postgraduate programme that consists of rigorous and integrated biblical, theological, pastoral/ministerial and historical studies intended to equip the student to serve in our Pacific church context in the modern world in specialised areas of ministry. It provides advanced education in selected fields of theological study to enable the student to become better equipped for theological teaching, for a particular form of Christian ministry in the Pacific, to pursue an academic interest, or for the general enrichment of his/her Christian life and work. The programme leads the student into the fields of contextualisation of theological interpretation and expression of the Christian faith. When taken as a full-time programme, the MTh takes two years to complete. For each student, the MTh programme involves a special focus in one of the following disciplines:

- Biblical Studies: Old Testament
- Biblical Studies: New Testament
- Church History
- Theology and Ethics
- Church Ministry.

Objectives

On completion of the MTh, candidates should be able to

- research issues of concern to Pacific churches;
- critically analyse data and interpret it appropriately;
- contextualise theology and faith expressions in their own cultural context;
- make Oceanic contributions to theological knowledge;
- teach theology up to BD level;
- do further specialized research and studies.

General Admission Requirements

Applicants to the MTh programme should preferably have at least two years of experience in some form of full-time Christian ministry after completing their BD or other university degree(s). Church-sponsored applicants require endorsement by the head of a recognised denomination and must have guaranteed financial support. Private students may be admitted, provided they fulfil the appropriate entrance criteria. Priority will be given to church-sponsored students.

Definitions

Church-sponsored student: one who has been endorsed, sent and sponsored by a church. **Privately-funded student:** one whose fees are not paid by the church. **Residential student:** one who lives on the PTC campus. **Part-time student:** one who takes no more than four courses per semester.

Academic Admission Requirements

In addition to the general admission requirements, applicants also need to fulfil the following academic requirements. The applicant

1. should have graduated with a Bachelor's degree (3 years full-time equivalent) not more than 10 years before applying for the MTh programme, unless the applicant has taught in an academic institution since gaining the Bachelor degree.
2. should have gained at least a 'B' average in the intended area of specialization in the last two years of their BD studies.
3. shall write an academic paper on an appropriate topic set by the relevant department of the College to test their theological knowledge as well as their competence in the intended field of specialization with a minimum of 50% pass grade of this paper. This paper shall accompany the completed application forms.
4. must demonstrate an appropriate standard of English comprehension through an English proficiency assessment approved by the Board of Graduate Studies, and gain at least a 50% pass grade, or a pass grade of 5.5 in an IELTS (Academic) test.
5. who wishes to specialise in either Old Testament or New Testament Studies must demonstrate at least a basic proficiency in Hebrew or Greek respectively (applicants who fail this test will be required to take and pass introductory classes in either Hebrew 1&2 or Greek 1&2 at BD level).

6. who holds a Bachelor's degree outside the field of theology will be required to successfully complete a qualifying year in theological studies at BD level before formally entering the MTh programme; the grade average of all courses in this qualifying year must be B or better.

Application forms are available from the Registrar's office. Applications for full-time study should be completed and received by October 15, especially if applicants wish to reside on campus. **MTh applicants whose documentation arrives too late to be processed fully may be admitted to the PgDipl instead, at the discretion of the College.**

Requirements for Graduation

The MTh will be awarded to candidates who have

- successfully completed no fewer than fourteen (14) credit-bearing courses, including the ten specified core course from across the disciplines, as well as four (4) further specialisation courses;
- passed the thesis component;
- for residential students, satisfactorily participated in the spiritual and community life of the College;
- cleared all outstanding debts to the College.

The MTh will be awarded **with distinction** if a candidate has, in addition to the above,

- successfully completed the course work with an average of no less than 'A-', and
- earned at least a pass with distinction for their thesis.

Cross Crediting

MTh level courses completed at other theological institutions or universities may be considered for cross-crediting by the Academic Advisory Committee, with the final approval of the faculty. Only courses successfully completed in the ten (10) years prior to the application will be considered for cross-crediting. No more than 50% of the coursework for the MTh programme may be credited in this way.

Programme

The MTh programme is intended to help the candidate do concentrated study and research for the purpose of attaining a certain level of specialisation in a

particular theological discipline. The programme involves coursework and a thesis. All MTh students, regardless of specialization, take the same number of courses overall, and take certain core courses from all theological disciplines. However, specialisation is safeguarded through concentration on a particular discipline, both in the thesis component and in coursework.

Two core courses each are taken from the fields of general academic skills, church history, ministry, as well as theology and ethics. There is only one Biblical Studies core course, since the hermeneutical focus of the theology and ethics core course connects with the Biblical studies core course.

Full-time and Part-time Studies

Full-time students are expected to complete the programme normally in two years. A full time student, who has not completed his/her course work and thesis during the second year of study, is expected to complete them within two extra years. She/he, however, make a request in writing for the extension period needed, i.e., not more than two years, from the Department concerned. The Head of the Department will consult with the Academic Dean and the Principal before a recommendation is made to the Faculty for endorsement of whatever decision they have made.

The course work must be completed and the thesis must be submitted within the maximum extension period. If by the end of the extension period these conditions have not been met, the candidate forfeits the degree.

Part-time students are expected to complete the MTh. degree in not more than six (6) years. The part-time student must complete the course work within a period of four years, and submit a thesis within six years of entering the programme.

Remedial Work

A student in the MTh programme may be required to do remedial course work if his/her background in the area of specialisation is considered not adequate.

Practical library skills training and computer literacy training is also available and may be required of individual students, over and above the general academic skills course as well as the thesis skills course.

Probation

All first year Masters students are on probation. To enter the thesis writing stage of the programme, a student must gain, at the end of Year 1, a **B-**

average or above in his/her coursework in all credit-bearing courses. A student who does not fulfil this requirement will not normally be permitted to continue in the MTh programme, but will be offered the opportunity to transfer to the Post-Graduate Diploma programme (see below), or, with the approval of the faculty, to repeat all or part of the MTh Year 1 programme if there are reasonable grounds to believe that the student may be able to achieve the required grade average on a second attempt.

Research Seminars

Attendance of relevant research seminars is obligatory. During the course of their studies, MTh students will actively participate in the relevant Postgraduate Departmental Seminars as well as the Common Thesis Seminars. Part-time students may be partially exempted from this requirement. The supervisor, the Academic Dean, and the student will reach a consensus on this which takes individual circumstances into account. MTh students will present a progress paper in the Common Thesis Seminar, usually in Year 2 of their studies.

MTh Thesis

The thesis is a vital part of the MTh programme. Every student will undertake research on a topic approved by the Department concerned. In addition to the student's research undertaken during his/her time at PTC, the summer vacation between the first and second years will be used to do field and/or library research either in Suva, in the Pacific country to which the thesis is related, and/or in some other place where relevant materials are located.

The expected length of the thesis is about 30,000 words, which includes the abstract, introduction, text (chapters) and the conclusion.

The following procedure applies from the beginning to the submission of a thesis:

- The candidate must submit a thesis proposal to the theological Department of specialisation. Upon its satisfaction with the proposal, the Department will present it to the Faculty for approval by October 30 of the first year of study, and the title of the proposal shall be sent to the Academic Dean.
- The candidate must make a successful seminar presentation of a chapter or a major section of this thesis to the common MTh thesis seminar during the second year of study. No thesis may be submitted

unless its author has satisfactorily done a seminar presentation of his/her thesis.

- A complete draft of the whole thesis (prior to proof-reading) must be given to the supervisor by the deadline set in the academic calendar (usually early August). Comments will be returned within a fortnight. A complete final draft (after proof-reading) is given to the supervisor by due date set (usually the end of August). Only electronic document formatting issues remain at this stage.
- The thesis must be submitted to the Academic Dean, with the approval of the supervisor, by the deadline set in the academic calendar (usually early September). This is to ensure that it can be graded in time for graduation in November.
- A student who submits his/her thesis after these due dates cannot be guaranteed graduation in November of that year.
- In extenuating circumstances, a candidate may request an extension period for submitting his/her thesis. The candidate will request the extension in writing by September 30 of the current year of study. For a full-time candidate, this period will be two years maximum. Only one year of extension will be granted at a time.

A part-time student must submit the thesis within six (6) years of starting the programme.

Theses that have been examined and passed but returned with conditions must be so revised and approved by the supervisor or acting supervisor prior to the candidate being awarded the degree. On the same, the student and the supervisor or acting supervisor signed the *Copywriter Statement and Supervisor's Approval*³ prior to lodging the final version of the thesis or dissertation with the library of PTC, via the Academic Dean.

A thesis that has been examined and deemed failed cannot be re-submitted.

³ “*Copywriter Statement and Supervisor's Approval*” is stated on pages 33-34 of this Handbook.

Academic Prizes

Only graduating students will be considered for academic prizes. The following prizes may be awarded:

- The **Faculty Prize for Distinction in Masters Thesis Work** may be awarded to those whose thesis work achieved distinction or high distinction.
- The **PTC Prize for Overall Academic Excellence in the Masters Programme** may be awarded to those are awarded the Master of Theology with distinction or high distinction.
- For each of the four theological departments (Biblical Studies, Theology & Ethics, Church History, Church Ministry), a **Departmental Prize for Excellent Masters Coursework in the Field of Specialisation** may be awarded to a student who has not been awarded the Prize for Overall Academic Excellence, but who has completed all courses in the field of specialisation with the highest average at or over 80/A-.

In semester-half 2B of each year, four further specialisation courses are taken in the specific field students wish to specialise in.

CORE COURSE DESCRIPTIONS (2018)

P10CF01: Academic Skills 1 (AS Core 1)

This core course offered as academic skills 1 will introduce students to essential skills for academic theological work at postgraduate level. The course concentrates on academic reading and writing of theological texts, and of critical thinking as a permeation feature. It creates the foundation for postgraduate theological work on which individual courses in different disciplines can build, and also for the course in research skills offered as academic skills 2.

P10CF02: Research Skills (AS Core 2)

This core course offered as academic skills 2 is designed to help students develop skills in designing and conducting academic research projects under supervision, including an academic thesis. The course will present practical skills and their theoretical underpinnings as far as they are relevant to research in the theological disciplines.

P20CF03: Biblical Interpretation and Hermeneutics 1 (BS Core 1)

This Biblical Studies core course for the MTh programme offers an advanced orientation to exegetical methods and their hermeneutical foundation, ranging from traditional historical critical exegesis to newer approaches such as narrative and social-scientific interpretation. The question of the relevance of approaches that originated in modern Western culture within a Pacific framework will permeate the course. The course does not assume knowledge of the Biblical languages.

P20CF04: Biblical Interpretation and Hermeneutics 2 (BS Core 2)

This Biblical Studies core course for the MTh programme offers an advanced orientation to exegetical methods and their hermeneutical foundations. The course will include a focus on liberationist, postcolonial, and reader-response approaches, as well as recent tendencies in the writings of Biblical scholars in the Pacific. The question of the relevance of approaches that originated in other cultures within a

Pacific framework will permeate the course. The course does not assume knowledge of the Biblical languages. Prerequisite: P20CF03.

P30CF01: History of the Ecumenical Movement (CH Core 1)

This course introduces the student to the history of the modern ecumenical movement from the time of the 19th century until the formative years of the World Council of Churches (WCC) and into major debates and crucial conflicts in the following three decades. Special attention will be given to the merger of the International Mission Council with WCC and the formation of Regional Council of Churches. We will work mostly with primary sources (documents, speeches and resolutions), so that the course enables the students to work with original documents and to interpret them in the context of their time. The course will focus on the three different roots of the ecumenical movement: mission, social ethics and doctrine.

P30CF02: History of the Ecumenical Movement in the Pacific (CH Core 2)

This course will examine the history of ecumenism in the Pacific from the 1920s when the idea of cooperation amongst the churches was first mooted to the present day. Specifically, the course will trace the history of the three major ecumenical bodies: Pacific Conference of Churches; Pacific Theological College; and, the South Pacific Association of Theological Schools. Ecumenical concerns, problems and challenges that emerged over the years will be examined within the context of the above three organizations.

P40CF01: Sociology of Religion 1 (CM Core 1)

The course introduces students to classical and contemporary theories and approaches from the discipline of Sociology of Religion. Much can be learned about religion from a sociological perspective, from reading classical sociological theories of religious organization and practice, including major theorists like Karl Marx, Max Weber, and Emile Durkheim. This is in order to develop the theoretical perspectives and tools enabling students to gain a greater understanding of how human beings experience religion in groups or through forms created by social organizations. Students will reflect on how the western understanding of Sociology of Religion is relevant to the context of the Pacific Islands to review old and develop new models of ministry in a cross-cultural setting today.

P40CF02: Sociology of Religion 2 (CM Core 2)

The course explores religion's role in shaping people, events, and societies in the contemporary world from a sociological perspective. The relationship of religion and religious institutions to the wider society will be discussed. Here the church and its institutions will be viewed in relation to other institutions, focussing on issues of power, legitimisation and community functioning. Specific attention will be given to processes of secularization and globalisation, the concomitant dynamics of social change and its effects on the societies of the Pacific Islands. In group work and case study projects the students will be encouraged to design strategies on how the church

could and should respond to the various cross-cultural and inter-religious challenges today.

P50CF01: Theological Hermeneutics (TE Core 1)

This course aims to develop a deep knowledge of students on the ‘art of interpretation’ and their search for meaning. Hermeneutics is fundamental to the Pacific decolonization agenda, especially the decolonization of the mindset. The course focuses on allowing the productive role of the student to creatively reconstruct new meaning in the reception of texts (such as the bible), art, dance, songs and poetry, culture, traditions, rituals, bodily language, etc, based on their particular life worlds. The first half will focus on exploring, discussing, and critically analyzing the hermeneutical traditions of the West as well as contemporary approaches from other parts of the world. The second half focuses on developing Pacific hermeneutics, specifically relational hermeneutics, to assist with rethinking our understanding of God, faith, and living traditions such as the Trinity and Christology. The aim is to develop relational foundations to underpin the development of sustainable frameworks, models, and paradigms for the Pacific churches and society.

P50CF02: Methods in Ethics (TE Core 2)

This course offers an overview of different interpretative approaches used in ethical analysis. In the first place the course will explore the classical approaches or methods in ethics, including deontological teleological, situational-relational, and virtue. In the second place, the course will also explore the use of contemporary literary, narrative and ethnographic methods in the development of theological ethics. Special emphasis will be on ethnographic methods with specific focus on the power and influence of cultures in Oceania in ethical analysis. Students will be challenged to develop holistic ways of reflecting on moral experience in the region by using these methods to interpret moral dimensions of Scripture, Pacific songs, stories and art forms, and in-depth conversation with cultural norms in the region.

P50SF03: Land and Eco-theology (SC)

The land and sea are important motifs in biblical and systematic theology but it was not until in the late twentieth century that due attention was afforded to them. Beginning from the biblical and theological perspectives this course will explore these motifs within the particular worldviews and understandings of the contexts of Oceania. More specifically, the course will explore and analyse the key theme of Oceanic land-sea-sky interconnectedness and the derivative spiritualities with the aim to developing contextual Eco theologies that promote ecological justice and ensure long-term livelihoods. This will be carried out in light of global ecological issues such as Climate Change and Sea Level Rise.

P50SF05: Theological Anthropology (SC)

The understanding of what it means to be a human being is a central concern of ecumenical theology and ethics. This course will begin with Christian theological understandings of what a human being is from the biblical accounts of humans made in the image of God (imago Trinitatis), to the Fall, to the incarnation of God as human in Jesus Christ, and humanity's new status as the new Adam in Christ. It will trace traditions of theological reflection on the human creature through church history up to the modern period. Throughout the course, a Christian understanding of the human will enter into dialogue with other views of human nature from disciplines such as the sciences, the arts, economics, politics, world religions, and cultures, and ideologies such as feminism, socialism, and capitalism. Students who complete the course will have surveyed this important theological topic though some of the classic doctrines of theology, such as sin, soteriology, and the Trinity. They will be able to develop their own contextual theological anthropology as a critical tool in thinking theologically about contemporary social issues in the Pacific and beyond.

The following two specialisation courses are planned for 2019 (subject to change):

P50SF01: Gospel and Culture (SC)

P50SF04: Violence and Nonviolence in the Christian Tradition (SC)

P30SF03: Studies in Global Christianity (SC)

Even though Christianity is a global religion, the history of Christianity is often treated in a Eurocentric way which overlooks the contributions of Christian's right from the beginning in the Near East, Africa, Asia and in later centuries in Latin America or the Pacific. Whereas in the past the later was taught under "Mission History" and the European history of Christianity under "Church History", today they are more and more united in the one History of World Christianity. In this perspective

this course introduces to the History of Christianity in India and China and shows its dialogue with the environment, culture and major changes of these two societies.

P30SF04: The Rise of Charismatic Christianity (SC)

It is a well-known fact that current global Christianity is reshaped by the rise of the Pentecostalist and Charismatic movements especially in Latin America, Africa, Asia and the Pacific. But what is the secret of its success and where are its roots? How did it develop in its different manifestations and in what way is it interacting with global and local cultures. We will have a look at different historical, anthropological and theological theories about this new revival movement, which could turn out to be the most important factor within the future of Christianity.

For 2019, the following two specialisation courses are planned (subject to change):

P30SF01: Understanding Key Texts of the Reformation (SC)

P30SF02: Understanding Key Texts in Modern Pacific Church History (SC)

Note: **specialisation courses are normally taught in a two-year rotation** (two each year).

POSTGRADUATE DIPLOMA PROGRAMME

Purpose

The Post-Graduate Diploma in Theological Studies (PgDipl) is a postgraduate theological programme that consists of rigorous and integrated biblical, theological, pastoral/ministerial and historical studies intended to equip the student better to serve in the Pacific church context in the modern world. It provides advanced education in all theological fields to enable the student to become better equipped for a particular form of Christian ministry in the Pacific, or for the general enrichment of his/her Christian life and work. The programme leads the student into the fields of contextualisation of theological interpretation and expression of the Christian faith.

Objectives

On completion of the Post-Graduate Diploma, candidates should be able to:

- Critically analyse data and interpret it appropriately.
- Contextualise theology and faith expressions in their own cultural context.
- Engage in their ministry with a more solid foundation in theological studies.

General Admission Requirements

Applicants to the PgDipl programme should preferably have at least two years of experience in some form of full-time Christian ministry after completing their BD or other university degree(s). Church-sponsored applicants require endorsement by the head of a recognised denomination and must have guaranteed financial support. Private students may be admitted, provided they fulfil the appropriate entrance criteria. Priority will be given to church-sponsored students.

Definitions

Church-sponsored student: one, who has been endorsed, sent and sponsored by a church. **Privately-funded student:** one who has not been endorsed or

sent by a church. **Residential student:** one who lives on the PTC campus.
Part-time student: one who takes no more than four courses per semester.

Academic Admission Requirements

In addition to the general admission requirements, applicants also need to fulfil the following academic requirements. The applicant:

1. should have graduated with a Bachelor's degree in Theology (3 years full-time equivalent) not more than 10 years before applying for the PgDipl programme, unless the applicant has taught in an academic institution since gaining the Bachelor degree.
2. shall write an academic paper on a topic set by the relevant department of the College to test their general theological knowledge. This paper shall accompany the completed application form. Applicants should gain at least a 50% pass grade for this paper.

A student in the PgDipl programme who achieves at the end of Year 1 **a B-average or above in his/her coursework in all credit-bearing courses** may request in writing to the Academic Dean to transfer to the MTh programme.

Requirements for Graduation

The PgDipl will be conferred on candidates who have:

- successfully completed no fewer than twelve (12) credit-bearing courses, including the ten (10) specified core course from across the disciplines, as well as two further specialisation courses;

- for residential students, satisfactorily participated in the spiritual and community life of the College;
- cleared all outstanding debts to the College.

The Post-graduate Diploma **with Distinction** will be awarded to candidates who have, in addition to the above, successfully completed the course work with an average of no less than A-.

Cross Crediting

MTh and PgDipl level courses completed in other theological institutions or universities may be considered for cross-crediting by the Academic Advisory Committee, with the final approval of the teaching faculty. Only courses successfully completed in the ten years prior to the application will be considered for cross-crediting. No more than 50% of the coursework for the PgDipl programme may be credited in this way.

Programme

When taken as a full-time programme, the PgDipl takes one year to complete. The programme involves coursework only. All PgDipl students, regardless of specialisation, take the same number of courses overall, and take certain core courses from all theological disciplines. However, students may specialize in concentrating on a particular discipline in some of the coursework.

Two core courses each are taken from the fields of general academic skills, church history, ministry, as well as theology and ethics.

Full-time and part-time studies

Full-time students are normally expected to complete the PgDipl programme in one year. A full time student who has not completed his/her coursework during that year is expected to complete it within one further year. She/he, however, must request in writing to the Department concerned for the extension period needed. The Head of the Department will consult with the Academic Dean and the Principal before a recommendation is made to the Faculty for endorsement of whatever decision they have made. The course work must be completed within the maximum extension period. Part-time students are expected to complete the Post-graduate Diploma degree in not more than three (3) years.

Remedial Work

A student in the PgDipl programme may be required to do remedial course work if his/her background in the area of specialisation is considered not adequate. Practical library skills training and computer literacy training is also available and may be required of individual students, over and above the general Academic Skills and Research Skills courses.

Research Seminars

Attendance of relevant research seminars is obligatory. During the course of their studies, PgDipl students will actively participate in the relevant Postgraduate Departmental Seminars as well as the Common Thesis Seminars. Part-time students may be partially exempted from this requirement. The supervisor, the Academic Dean, and the student will reach a consensus on this which takes individual circumstances into account.

Bachelor of Divinity (Honours)

The BD (Hons) is the standard degree programme for students sponsored by churches in the region. Only the honours degree will enable a student to apply for postgraduate studies at PTC.

The BD (Hons) thesis is the equivalent of three credit-bearing courses. The length of the thesis is about 10,000 words. Please refer to the general academic regulations for details.

Time Frame

Students will be expected to complete the BD or BD (Hons) programme in no more than eight years.

The BD is run on a three-year cycle, and it is highly desirable that residential students enter the programme at the beginning of 2015, 2018, 2021 etc. However, students may enter the residential programme at the beginning of any other semester, provided that their application has been approved and accommodation is available. Students who do not enter at the beginning of the cycle should be aware that this may require them to take up to half of their courses in distance mode.

Extension students may enter the programme and begin studying at any time, once their application has been approved and they have registered and paid for their first course. Extension courses are to be completed in 12 weeks, though a grace period of up to three (3) extra weeks may be granted.

Alternative Delivery

The College may deliver certain BD courses in an intensive format, involving a five-day workshop, followed by further reading and assessment.

NOTES

1. **Foundation courses** (see the courses with an asterisk, *, in Year 1) usually have to be completed before any other courses in the same department are taken, with the exception of the Hebrew and Greek language courses, which may be taken at any point. Therefore, a student who enters the programme after semester-half1A of Year 1 will first have to complete all foundation courses – by distance mode, if necessary.
2. The **thesis component** is normally offered in the final year of a particular student's degree programme.
3. A student who wishes to take courses in addition to those offered in a particular half-semester (an '**overload**') may be permitted to do so only with the approval of the departments concerned and the Academic Dean.
4. Individual departments may offer extra courses either to replace a required course or add optional electives.
5. Applicants with no previous theological training will be required successfully to complete the course B20ND00 *Introduction to the Bible* by extension at the beginning of their study programme—either concurrently with, or after completing, B10FF01 *Academic Skills 1*.

The required language courses for the BD (Hons) are available in two options: Biblical Hebrew and Hellenistic Greek. They will be offered in Year 1 of the rolling cycle, but *may also be available in Years 2 and 3 of the cycle* (see shaded areas in the tables above), at the discretion of the Department concerned.

Biblical Languages

*Please note that the **Hebrew and Greek readings are under review** and may change at the discretion of the Department concern.*

Reading groups: Students who successfully complete Hellenistic Greek 2 or Biblical Hebrew 2 are normally required to participate satisfactorily in a 1-hour/week reading class in Greek or Hebrew for the rest of their degree programme. Honours students who fail the language courses may be offered the option of taking alternative non-language courses to be determined on a case-by-case basis, but only on the recommendation of the Biblical Studies department and the Dean, with Faculty approval. BD students who wish to study Greek or Hebrew may register for these courses.

There is no fee for these Reading Groups.

Reading groups will only be available if the staffing situation in a given year allows the Department of Biblical Studies to offer them.

Challenge Examinations

Students who believe that they have already mastered the material covered by a specific course may request the Head of the relevant Department to set an examination for them. A student who passes such a challenge exam will not be required to take the related course and will be given credit toward graduation requirements. The decision about which, if any, courses will be open to challenge by examination is made by the departments in consultation with the Principal. For residential students, the examinations will be taken at PTC during orientation week or the week proceeding the period in which the course in question is offered.

Cross-crediting

Students may apply for credit for degree-level courses completed at other colleges accredited by SPATS or MATS **or** from an equivalent institution. Not more than 50% of the number of courses needed to complete a PTC degree can be credited in this way. Any exemption may depend on successful completion of an equivalency test. Only courses successfully completed in the 10 years prior to application will be considered for cross-crediting.

Communication and Study Skills

The BD and BD (Hons) programmes include two required academic skills courses. In addition, each course at PTC includes direct and indirect ways of developing the arts and skills of thinking, reading and communicating

appropriately in the subject or discipline. The help of advisers and members of staff with special skills in the area should always be sought. In addition the College provides special training in English and computer literacy.

Part-time Study

Part-time study at PTC is open to any person who is genuinely interested and has sufficient educational background to master the course-work at degree level. For admission, see the requirements for this degree. A part-time student is one who takes not more than four credit-bearing courses per semester. Students taking four or more courses per semester are classified as full-time. Part-time students may choose from the regularly scheduled classes or extension courses set out in the Handbook. They are normally required to take *Academic Skills1* and *Academic Skills2* in their first semester of study, unless granted an exemption. Course choices should be discussed with the Registrar or Academic Dean before registration. Thereafter, they should consult their appointed academic advisor prior to any course registration.

Courses Not for Degree Purposes

Persons wishing to take **individual courses** for their personal interest—for credit, but not towards a degree—may register for any BD or BD (Hons) course, provided that they have met the admission requirements, have enrolled, and paid the necessary course fee.

Classes may also be **audited**. It is not necessary to enrol in the BD programme in order to audit a course, but course registration is required. ‘Auditing’ means that students do not complete assessment tasks and will not gain any credit.

Academic Prizes

Please note that prizes (including their names), conditions for their award, etc. are currently under review, and may change by November 2016.

Only graduating students will be considered for academic prizes. Individual prizes may not necessarily be awarded every year. No prize will be awarded unless the cumulative grade average over the relevant courses is 80/A- or above.

Fundamental doctrines such as the trinity and Christology were formulated during this period, which also saw the transformation of the gospel through the encounter with Greek philosophy and religion. Major theological debates and conflicts about the right source of knowledge (Gnosticism), the relation of good deeds and grace (Pelagianism), the canon of the Scriptures (Marcion) and the understanding of the ministry (Donatism and early Catholicism) will be discussed. The course will end with the Mission to Germanic tribes.

B30BF04: 20th Century Pacific Church History

Despite the colonization of every island in the Pacific by 1900, indigenous people still tried to assert their identity in many ways. The Second World War forced radical changes on the church and mission situation which led to rapid transformation after the middle of the century. Independent churches appeared everywhere and a new style of church life developed in the Pacific, brought in by improved education, economic development and urban growth. In the last quarter of the century, the island churches emerged in their own right, free from missionary domination and were united in trying to undertake their responsibilities in the Pacific society. This course will provide the student with an overview of the major events, personalities, and movements of the church during the twentieth century and will also discuss the growing 'Para-churches'. Space will be given to the students at the end of the course to critically analyze this particular period.

B40FF01: Foundations of Ministry

This course introduces students to the ecclesiastical foundations for ministry. It aims to integrate theology with issues of public ministry. The course explores the character of ministry in contemporary practice and development of good pastoral leadership. In the light of those explorations, this course considers implications for the public ministry of the gospel in Pacific contexts. Through various reading and writing assignments, students will be expected to integrate their own experience and perspectives with those of the authors of assigned texts and of one another. Students

will be encouraged to nurture a personal sense of pastoral imagination and identity, and begin to gain competence in a variety of ministerial practices.

B40BF01: Social Analysis: Ministry in Social Context

This course is an introduction to social analysis as a practical tool for linking faith with justice, peace, and development issues in the various contexts of ministry in the Pacific. Considering a variety of old and new social problems in the Pacific today, the course will explore how and why the church must be concerned about social issues. Students will be introduced to the biblical and theological basis of social justice, and attention will be paid to the development of practical methodologies for social analysis as well as a range of possible analysis-based pastoral responses to social problems. Case study projects of various kinds will challenge students to reflect critically on specific economic, political, religious and cultural contexts of ministry in the Pacific, and to design strategies for pastoral social action.

B50FF03: Introduction to Contextual Theology

This course aims to provide students with an introduction to the study and practice of theology. It will look at what theology is, who does theology, where it is done, and for what purpose. The traditional sources of theological reflection, such as the Bible, traditions, experience and reason will be examined. The contextuality of all theologies will be stressed, and the relativity of traditional Western theology will be exposed, and newer approaches to theology will be explored, including liberation theologies of the two-thirds world. Students will be encouraged to draw on their Pacific cultures in developing their own theologies in dialogue with various models of contextual theology with a view to identifying, describing and critically analyzing the methods that undergird such models.

B50FF04: Ethical Principles

This course deals with Christian ethics and ethical principles. The main approaches to ethics will be outlined and surveyed, and the course will focus on core ethical principles and the implications of such principles in making decisions on moral issues. B50HF02: Ecological Ethics and Social Justice

This course provides an overview of both ecological ethics and social justice. Key questions to be explored include: What is ecological ethics? Why ecological ethics? What is social justice? Why social justice? The issue of *value* is central for both ecological ethics and social justice – the *value* of the non-human beings (or nature/environment) which is crucial to ecological ethics and the value human beings which is crucial to social justice. The aspect that is common to both areas is justice and so focus will be on justice for both the environment (environmental justice) and human beings (social justice). The interconnectedness of the two areas – ecological ethics and social justice – will be highlighted by using the theme of violence; violence that human beings inflict upon nature and violence that human beings inflict upon other fellow human beings. To live justly with nature and to live justly with fellow human beings is the vision encouraged and advanced in this course.

This course introduces students to Christian thought and practice from the early Middle Ages through the Reformation of the sixteenth century. In the second place, the main focus of the course will be on the place and significance of such (Triune) theology in the social, economic and political contexts, or public life, of Oceania today. Examples of current social, economic and political issues will be provided and the question 'where is the triune God in all this?' will be critically and constructively addressed. This second component of the course is to enable students to 'ground' or 'earth' their knowledge and understanding of God in concrete and tangible realities that their churches and communities encounter today.

B20BF01: Introduction to the Study of Torah

Context

The course will explore the foundations for roles of men and women biblically and historically in the early Christian church, and sociologically in the Pacific context of church ministry. The course will examine the ways that men and women are impacted by gender inequality and address issues that they face in various areas of ministry responsibilities as partners in ministry. Special attention will be given to women who have been historically impacted by social structures within the church and society and processes of ministry. The focus on women as partners in leadership and ministry will enable students to examine how status and duties of women have changed historically in the church and society of the Pacific. This examination will enable students to see how both men and women can impact the future of leadership and partnership in ministry.

B20BF02: Introduction to the Study of the Synoptic Gospels and Acts

Following a general introduction to the study of the gospels (including the gospel genre), the focus will be on Luke-Acts, though the course will usually not cover the passion narrative. General issues of gospel research, such as parables, will also be discussed. The course combines detailed exegetical work of selected passages with important themes in Luke-Acts. Source and redaction criticisms will be

introduced in more detail to complement the introductory exegesis course. As with all Biblical Studies course, foundational hermeneutical and theological components are a permeation feature; that is, each course will address the issue of how and why biblical texts may be appropriated in contemporary life. The course will normally work on the basis of the English text.

B50BF01: Christologies

“Who is Jesus Christ? What is the significance of Jesus Christ today?” These are the central questions that will form the substance of this course. The course aims to deepen the students’ experience of Christ by developing a broader vision and more profound understanding of who Jesus is and what his significance is today. To work toward this the course will focus on the following: earliest Christian portrayals of Jesus in the Gospels and in Paul’s writings; classical Creeds of the Christian Church; the historical reconstructions of the Jesus Seminar; and contemporary existential responses and contextual expressions of Jesus Christ, with specific reference to feminist and Oceanic Christologies. Using and strengthening the skills acquired in the foundation course in exegesis, the course concentrates on two of the major letters (usually 1 Corinthians and Galatians), and the pastoral epistles. As with all Biblical Studies course, foundational hermeneutical and theological components are a permeation feature; that is, each course will address the issue of how and why biblical texts may be appropriated in contemporary life. The course will normally work on the basis of the English text.

B40BF02: Worship and Liturgy

The first phase of the course focuses on the history of Christian worship. It asks what worship is and how worship practices have taken shape among Christians across the centuries and across the world. The second phase will focus upon worship within the contemporary context and the social-pastoral issues that are raised both by contemporary worship and the study of liturgies within this context. The majority of the so called mainline churches in the Pacific region roots back to 19th century mission activities. Missionaries from Western countries started to spread the Gospel in the islands, but soon indigenous evangelists stepped in and took over the same task. Today, those fruitful initial efforts are on the one hand, praised as heroic commitment in propagating the message of Christ; on the other hand, they are criticized as an act of domination in oppressing the indigenous cultures with foreign values in line with the colonial rule. The course will try to introduce students to the complexity of the situation of missionary work in the 19th century. UNDERGRADUATE CERTIFICATE, DIPLOMA& PROFESSIONAL DEVELOPMENT PROGRAMME

Purpose

The Undergraduate Certificate, Diploma and Professional Development programme at PTC began in 2012, building on years of experience in delivering intensive workshops on various aspects of community work for members of churches and NGOs in the region. The aim is to use the expertise of both PTC and outside staff to help facilitate capacity building. Our unique contribution in this field is the integration of faith-based foundations with theoretical and practical training. The first phase of this project (2012-2014) was designed to deliver training in the following four areas: **Peace building; Social Analysis; Leadership & Management;** and **Pastoral Counselling** (Foundational and Advanced). The training was conducted under two separate programs: God's Pacific People (GPP) and Institute for Research and Social Analysis (IRSA). The two programs integrated under a new name in 2016:

Institute for Mission and Research(IMR)

Please contact the Institute for Mission and Research for further information on offering of courses in 2017 under the program names: **God's Pacific People(GPP)**and **Research and Social Analysis(RSA)**.

Common Delivery

The face-to-face element of all courses is delivered in the form of intensive workshops of five days' duration, either at the Jovili Meo Mission Centre on the campus of PTC, or at another suitable venue in the region.

Professional Development: Certificate of Attendance

Interested church members and NGO personnel, regardless of their academic status, are welcome to apply to attend the workshops facilitated by this programme. A Certificate of Attendance may be issued at the end of each workshop. No credit towards an academic award will be given for such attendance, but many participants have found attending workshops a tremendous help in enhancing their work.

Undergraduate Certificates & Diplomas

The Undergraduate Certificate is an award at the academic skill level of Bachelor degree studies. Therefore the academic admission criteria are normally the same as those for the BD programme. The award is available in all four of the subject areas indicated above, and in each case involves four courses involving 100 learning hours each. Of these, 40 hours are covered by classes in the five-day workshop; the rest is made up of further specified reading and assignments. The Certificates and Diploma in Pastoral Counselling have a slightly different structure.

The course programme for each of the awards is as follows:

The Diploma in Counselling (including the two Certificates) requires 1210 learning hours in total.

Foundation courses in the BD programme may be taken as electives, whether residentially or by extension (see details in the BD section of this handbook). Also, an introductory course from another UgCert programme may be used as an elective. Further electives may be offered from time to time (e.g. Community Bible Study for Social Transformation).

Credit Transfer between UgCert and BD Programmes

All UgCert courses are designed at degree-level. Therefore, credit transfer to the BD/BD (Hons) programme is possible, at the discretion of the Academic Dean and the Faculty. Furthermore, one (1) 100 learning hour course in the BD programme and one (1) course in one of the UgCert programmes may be credited towards both awards (double credit). This is possible for one UgCert only; that is, a student who wishes to complete more than one UgCert can do this only once, for one UgCert.

Cost

The cost of each workshop, regardless of whether it is taken for professional development or for the academic award of the Undergraduate Certificate, is currently usually F\$300 for each five-day workshop. This is a highly subsidised fee, and only possible because of very generous assistance from partner organizations. Further financial assistance may be available upon application.

Further Details

To find out more about this programme including exact course dates, please contact the Director of IMR for GPP program (**Peacebuilding and Pastoral Counselling Leadership & Management**), or for RSA program (**Social Analysis**).

PACIFIC THEOLOGICAL COLLEGE

EDUCATION BY EXTENSION

(PTCEE)

PTCEE What is it?

PTCEE is the non-residential, distance-learning programme of PTC, serving the region since 1996. Nearly 1000 Christians from diverse backgrounds and many different churches have chosen to study with PTCEE since that time. We enable students across the region to learn at home, in their own environment and at their own speed, through accessible, achievable, accredited courses. So far, the courses have been print-based but we're planning to go online too. Keep checking for progress at <http://ptcee.ptc.ac.fj/>

We believe in Theology for All for Life

PTCEE Why do we need it?

If you want to expand your knowledge and wisdom about God, Church and World and can commit to regular, faithful study, PTCEE is for you. God calls **all** the faithful to mission and ministry, not only those who are ordained. Whether we are in the village or the town; at the workplace or with the family; listening to our politicians or our preachers; on the sports field or at choir practice; theological education is necessary and practical. PTCEE studies help us think about Christian responses to pressing realities affecting Church and society in Oceania such as climate justice, religious diversity, land and relocation issues, poverty and wealth, migration and globalisation. Theological Education helps us study the holy scriptures, examine the varied traditions we come from, use our God-given reason wisely and reflect on real-life experiences through the eyes of faith.

We believe in SCRIPTURE, TRADITION, REASON and EXPERIENCE

PTCEE Diploma and Certificate graduates 2017 from the Ekalesia Kelisiano Tuvalu, Methodist Church in Fiji and Rotuma and the Anglican Church of Melanesia, Solomon Islands.

PTCEE Who can study?

Certificate courses have open entry to anyone who can read, write, understand and express their ideas reasonably well in the English language. PTCEE students come from across a wide age spectrum and with different levels of formal education and life experience. All are welcome to enrol on the Certificate and test the waters. Why not? Many progress from the Certificate to the Diploma, and possibly to Bachelor Degree level. The standards, of course, gradually become more demanding. Nevertheless, PTCEE aims to be an ‘open door’ not a ‘closed shop’ for theological education. Contact us and be assured of a warm welcome and a listening ear as we talk about your needs.

PTCEE What can I study?

1 Individual courses

Students may enrol in courses for their own interest, not intending to complete a Certificate, Diploma or Degree. The work done is still valued, formally assessed and a course completion certificate issued, showing the grade achieved.

2 Certificate in Theological Studies

Students must complete 8 foundational courses, plus electives totalling 90 credits. To complete each course to a high standard, students need to read, study, think and write in a disciplined and careful way for about 100 ‘learning hours’.

Students must complete courses including electives, totalling 180 credits. Although it is a qualification in its own right, the PTCEE Certificate (worth 90 credits) can be seen as a half-way stage towards the Diploma. It offers further theological education at a more advanced level and is especially useful for equipping lay people who have leadership roles in their congregations and communities. Again, to complete each course to a high standard, students need to read, study, think and write in a disciplined and careful way for about 100 ‘learning hours’.

4 Brief Course Descriptions: Certificate and Diploma

C20RD01: Introduction to the Study of the Bible: parts 1 and 2

Developing skills in reading the Bible and understanding the world of the Old and New Testaments, this course helps you to study the Bible with insight and in greater depth, on your own or with others.

D20RD01: Introduction to the New Testament

Understanding what the New Testament writings are about and how we can best use them, this course explains what material is found there, the main themes, and where, why and for whom the books were written. You will learn how to ask questions to help you discover the main concerns of a Bible passage: what it meant in its own time and for today.

D20RD02: Introduction to the Old Testament

Enabling us to see the importance of reading the Old Testament for our journey of faith, you will learn about the sorts of writings that make up the Old Testament, the historical situations that gave rise to them, and the experiences that they reflect. You will learn in ways that respect what it meant in its own time and can mean for us today.

C30RD01: Church History: to the Reformation

Tracing the growth of Christianity from the community of disciples until the time of the Reformation (16th century), this course discusses the formation of Church teachings and the changing relationship between them and our society as it has developed. We are encouraged to learn from the mistakes and successes of the past.

C30RD02: Church History: Reformation to the Present

Following on from C30RD02, this course discusses important events in the life of the Church, from the Reformation to the present day. It describes how Christianity in Europe grew into a rich and powerful organisation which some people felt had drifted away from its initial calling and how the church divided into the denominations we know today.

D30RD01: History of Pacific Christianity: 19th century

Telling the story of the beginnings of Christianity in the Pacific Islands, this course traces the history of the Christian gospel here through the 19th century. The two perspectives of 'translation' and 'discipling' are important in the course. You will read extensively and do some serious historical analysis.

D30RD02: History of Pacific Christianity: 20th century

Continuing the study of the Christian Church in the Pacific, this course discusses the 20th century, when most Pacific Islanders had adopted Christianity. It covers the emergence of Island Churches, the development of local ministries; theological education; the ecumenical movement; and issues and concerns since World War II. You will develop intellectual and technical skills, valuable not only in later history studies but also in other academic and vocational contexts.

C40RD01: Introduction to Ministry

Exploring different areas and types of church ministry, this course tries to attract your interest towards one or more particular ministries. It encourages you to use your knowledge and skills to help develop those ministries in your local church and community. It challenges you to a prophetic role among the people with whom you have contact.

D40RD01: Introduction to Pastoral Care

Deepening our understanding of pastoral care and the role of healing, guiding, sustaining and reconciling in pastoral care ministry, this course will help you to identify the needs of your own community and develop pastoral responses. You will identify the strengths of the traditional pastoral care offered by your island community and gain insight into your own gifts and limitations. You will practise and develop the basic skills used in pastoral care and counselling.

C40RD02: Introduction to Christian Education

Explaining how we learn, the difference between surface and depth learning, and what is meant by faith development and spiritual development, this course surveys various developmental theories which can help us in learning and teaching and various approaches to evaluating learning. It describes Jesus' approaches to teaching and shows how various symbols in the Bible can help us learn about God and Jesus. You will find out how to help small groups to learn well.

D40RD02: Introduction to Christian Worship

Investigating and exploring what is meant by Christian worship and how time and space can be used in worship, you will think about the significance of words and actions in worship and the importance of Christian rituals and sacraments

D20ED01: Bible Study Methods

Enabling you to teach basic biblical foundations of our Christian faith with confidence, this course offers a variety of creative ways to do that in your school, village and church community contexts. You are encouraged in this to write some sessions, lead some sessions, experiment and think critically about the results.

D40ED01: Introduction to Preaching

Helping us to become better preachers and to listen to the preaching of others with knowledge and wisdom, the course explains the reason for preaching and what preaching is all about. Different types of sermons and different ways of presenting the gospel message will be discussed. You will learn how to prepare and preach sermons that communicate effectively.

D40ED02: Ministry in a Social Context

Introducing social analysis as a practical tool for linking issues of faith, justice, peace and development, the course explores the basis and history of Christian social teaching. You will learn how the ministry model called the 'Pastoral Cycle' helps you analyse social problems and develop appropriate ministry responses to them. The course focuses on designing strategies for pastoral action in Pacific Island social contexts.

D40ED03: Ministry with Children and Youth

Enabling us to minister effectively to young people of various ages, the course suggests ways of encouraging children and youth to participate in worship and prayer. It will help you prepare appropriate lessons for children and youth and develop skills in storytelling, singing, drama, memory work and activities. It will encourage you to think about yourself as a leader and the quality of your relationships with children and the rest of the church.

C50RD01: Foundations of Theology

Thinking about what is most real and important in your personal faith journey, this course covers the major subject areas of theology: God, Jesus Christ, the Holy Spirit and the Church. It helps you understand how church tradition, reason and experience affect your own theological thinking. You will become more aware of how your own personal history, cultural values and traditions affect your understanding of God, Jesus Christ, the Holy Spirit and the church. It aims to provide new resources to help you live out your faith in your daily life.

C50RD02: Foundations of Ethics

Exploring ways of thinking about how to live a 'good life', this course aims to increase our understanding of what God wants us to be and do. It will introduce you to ways of approaching Christian ethics and to the elements of Christian ethics. You will learn ways to make ethical decisions and strengthen moral character.

D50RD01: Themes in Theology

Offering a framework of ideas to connect biblical teachings and a way to develop skills in thinking critically, this course offers guidance in expressing theological understanding both orally and in writing. You will be encouraged to apply what you have learned to your own situation. The course emphasises the importance of culture for theology, and encourages a new appreciation of Oceanic myths, biblical creation stories and the relationship between science and theology.

D50RD02: Making Ethical Decisions

Leading us to a deeper understanding of what is involved in the important decisions we make in life, this is a course about 'doing' and 'living' ethics, offering a broader awareness of how Christians can be disciples of Christ in a complex and rapidly changing world. It focuses on the responsible choices Christians have to make before God as they deal with issues facing the Pacific today.

D50ED01: Women and Theology

Pacific Christians of the 21st century are a long way from the world of ancient Pacific Islanders, the first Christians and the writers of the scriptures. In the journey from then to now something important has been lost. This course explores the forgotten female dimension of the Christian experience of God and faith. In this course, women of faith who have written about their own journeys help us to return to our Christian origins to recover inclusive visions of God, the Church and Christian ministry.

5 Accreditation of Previous Experience and Learning (APEL)

PTCEE is respectful of previous learning and experience. Cross-crediting of courses already completed through PTC or another learning provider may be possible but should not be assumed. It is the PTCEE student's responsibility to supply previous academic transcripts with evidence of courses taken and grades achieved, plus full details of the learning provider who issued the award. Prior work must be of equivalent quality and conform to SPATS Accreditation Standards and Guidelines within the Pacific Qualifications Framework

6 Bachelor of Divinity

Litiana Tuidrakulu
BD (Hons) 2015

Students must complete 28 new courses of 100 learning hours, totalling 280 credits. Most BD by Extension students will use successful PTCEE Diploma completion (180 credits) as their entry point. Those wishing to enrol based on prior theological credits earned elsewhere need to apply with their academic transcripts for consideration by the admissions committee.

Asena Senimoli
BD 2015

The BD by Extension is far more detailed and demanding but still achievable by those who do committed and determined work. Students develop vital theological competencies and critical thinking for mission and ministry in the contemporary Pacific, particularly for those who not able to attend a full-time residential theological programme.

PTCEE Courses are constantly under development and revision to meet changing educational frameworks and contemporary needs in Oceania, so the list below is subject to change. Please contact the office with any BD queries not covered here. Foundations courses (F) are taken first and then the sequence of courses is optional.

Course materials are only issued on receipt of payment.

9 Recognition and encouragement

When a student has successfully completed 3 courses at Certificate level s/he earns one ‘free’ course. This can be claimed at any time: it does not have to be the fourth course. This also applies after successful completion of 3 Diploma courses.

When a student has successfully completed 9 BD by Extension courses, s/he earns one ‘free’ course, and similarly after successful completion of 19 courses. In practice, this means that the 10th and 20th courses are free of charge.

PTCEE offers this recognition and encouragement across the board, without discrimination. However, we encourage students whose financial circumstances are stronger to offer their ‘free’ course to others rather than claiming it for themselves. The PTCEE office receives requests for subsidies and financial support and this is one way we can help to meet them.

INSTITUTE for MISSION and RESEARCH

Brief history

The God's Pacific People(GPP) programme was established as a mission programme in 1999 on the mandate of the Church Leaders of PCC and PTC member churches. It was to serve the mission needs of the churches. The Institute for Research and Social Analysis (IRSA) was established in 2008 on the mandate of the PTC Council to service the research needs of the churches. Since then both programmes operated separately. However, in recent years, both programmes collaborated to produce and deliver capacity building courses that are accredited to PTC, yet mission oriented with practical learning applications such as the courses on leadership and management, peace-building, pastoral counseling and social analysis. Much of the work to develop and accredit these courses and the research work until now are due to the passion, commitment, and hard work of the respective former Directors of GPP and IRSA, the late Rev. Rosalyn Nokise and Professor Manfred Ernst.

At the PTC Executive Committee meeting in May 2016, a resolution was passed to formally integrate the two programmes under a new name with one advisory committee. The work on these was completed in October. The PTC Executive Committee meeting in November endorsed the new name - **Institute for Mission and Research** – and the membership of the one Advisory Committee. The GPP and RSA remain as programme names.

The new strategic direction for the Institute is to **focus the Institute's capacity building and research work towards assisting the churches with their stewardship task in the leadership and care of their people and the environment**. In 2017 & 2018, attention will be paid to the revision of the course materials, the consolidation of internal and programmatic processes, and forming strategic partners for the programmes.

GPP- CAPACITY-BUILDING COURSES AND WORKSHOPS

- **Leadership and Management (L&M):** The L&M certificate courses are anchored within the leadership structures of the Pacific and the respective countries in which they are implemented. They will be customized to be relevant to church work, with a model of leadership that is people-centred. The courses aim to provide practical skills for management, e.g. in personnel management, financial management, conflict management, the monitoring and evaluation of programs and projects, as well as improving inclusive decision-making at various levels through deliberative democratic practices. The L&M is offered both as a certificate course within the framework of PTC accreditation (four components of one week each, divided into two blocks – 1 & 2, 3 & 4) and for professional development (two components of one week each, delivered together).
- **Pacific Peace building Training Intensive (PPTI).** The PPTI introduces participants to non-violent ways of resolving conflicts and teaches them how to apply these in their communities. The course is structured as both a conflict prevention tool and a conflict resolution and transformation tool. The PPTI is aimed at individual and community level. It aims to institutionalize various peace building techniques in churches and other social contexts. Participants are encouraged to reflect on their own experiences of conflict in the framework of the skills they are learning and in a theological context. This carefully tailored and contextualized course acknowledges past hurts, trauma and pain in the Pacific and provides the space and processes that can begin to bring healing and transformation. Synergies will be sought with the counselling and Ending Violence Against Women (EVAW) components of the project.
- **Pastoral Counselling (PC).** Counselling will be offered in this project phase as a four-week certificate course (an additional component can be added for a diploma) to be held in Solomon Islands

and Tuvalu, designed for churches, with 25 participants in each course. The course aims to equip ministry and field workers with the skills to provide support and care to parishioners and other persons seeking counselling. It introduces counselling skills that are relevant to Pacific communities. Participants will be guided in exploring the theological implications of their own contexts and encouraged to consider the unhelpful aspects of some teachings heard in churches. Most participants in previous courses have qualified under the category of experience.

- **Personnel Exchange Programme (PEP).** The PEP is a unique South-South initiative involving three-month placements of individuals sent to a different country by IMR/PTC at the request of a Pacific church (occasionally, a church-related CSO), either to build on a particular skill or to be a resource person to the receiving church and community. The PEP enables individuals to become change agents in their churches and communities using skills that complement those imparted in the capacity-building activities, and other context-related skills. In the next three years, GPP will organise exchanges for a minimum of three and a maximum of six persons per year (with a maximum of 14 persons over the three years).
- **Ending Violence Against Women (EVAW).** PTC/GPP regards the EVAW programme as a cross-cutting measure that will inform all of the other programme components. The emphasis of the EVAW measures in 2016-2019 will be on breaking the silence and highlighting the total unacceptability of violence against women and girls. This means, for GPP, that men need to be involved in some parts of EVAW activities, and that a carefully facilitated gender dialogue – already practised in the EVAW regional workshop held in May 2016 – should become one of the strategies to achieve GPP's objectives with EVAW. By targeting both women and men in the churches, and by partnering ecumenically with other actors of the churches in this area, EVAW will develop a response to the problem

of violence against women that addresses a range of the multiple factors that underlie the phenomenon.

RSA - RESEARCH PROJECTS

- **Social Analysis (SA).** The course is an introduction to Social Analysis as a practical tool for linking faith with justice, peace and development issues in the various contexts of the Pacific Islands. In relation to the social problems facing the Pacific Islands it will discuss why the church needs to be concerned about social issues. Attention will be focused on developing a practical methodology for social analysis, various models of social change and development, a range of possible responses, and creative arts. Using case studies, participants will be challenged to reflect critically on specific economic, political, religious and cultural contexts of development in the Pacific Islands, and to design their own strategies for social action. The analysis will help participants to understand and observe indicators. Special attention will be given to the impact of globalization on politics, economics, culture, religion and the environment in the Pacific Islands.
- **Reweaving the Ecological Mat.** This project is premised on the view that indigenous and Christian ecological frameworks (knowledge, ethics and practices), have much to contribute to addressing the ‘ecological and developmental crisis’. Ecology, as understood by most Pacific communities, is the relationship among the people and their relationship with the natural environment. The well-being and wholeness of these myriad relationships are therefore, dependent on the ethics and values systems that govern them. The project also looks at the disruptions in the ecological balance between and within the human community and their natural environment. It has one main objective which is to engender a movement of among churches and civil society groups on ‘reweaving the ecological mat’ committed to doing analysis, advocacy and community education on ecologically sustainable development.

- **Communications.** This is a vital component of the Institute's work, especially so when sharing information on the mission work of the churches and the work of the Institute and the College with the member churches and partners. From 2017, there will be a communications officer who will develop the communications project for the Institute and PTC.

New Advisory Committee

The membership for the new Advisory Committee is as follows:

- Methodist Church in Fiji
- Catholic Archdiocese of Suva
- Anglican Diocese of Polynesia
- Presbyterian Church of Fiji
- Pacific Conference of Churches
- Pacific Regional Seminary
- Pacific Theological College Faculty

Women's Fellowship Development Programme (WFDP)

The P.T.C. Council is committed to the theological education of women and as such all women including those who come to the College with their husbands are encouraged to participate fully in the life of the College and make use of all the educational opportunities available through the College including academic studies through PTCEE and the residential degree Programs.

Studies specifically designed for women were introduced at the College in 1980. We aim to integrate Programme of studies for women to complement other existing educational opportunities at the college.

The College provides a nursery and pre-school at the 'Etina Havea Centre to allow both parents to take up studies.

1. Purpose

The Women's Fellowship Development Programme aims to equip women for the different ministry challenges they will encounter as servant leaders in their churches and home communities. It can be taken together with PTCEE studies and therefore does not seek to replicate but rather compliment PTCEE studies. What is offered is an integrated Programme with four main streams:

- ✠ **Spiritual Formation;** to develop practical leadership in worship & teaching.
- ✠ **Practical Arts;** for church, community & income generating purposes

- ☒ **Capacity Building**; to develop essential technical skills for ministry purposes
- ☒ **Skills for Mission**; to develop skills for ecumenical ministry in church & society

Three award programmes are available within the WFDP: the **Certificate in Women’s Ministry Studies** (CWMS), the **Certificate in Women’s Ministry Studies and Theology** (CWMST) and the **Certificate in Practical Arts and Life Skills** (CPALS).

The first two Certificates (CWMS& CWMST) are designed to integrate the four streams of study mentioned above whereas the third certificate (CPALS) is purely practical oriented skills; all designed to meet the needs of the students for ministry life in the community. All three certificates are delivered in such a way that the awards may be achieved within two years of study.

2. Certificate in Women’s Ministry Studies (2018, 2020, etc)

Semester	Code	Course Title	Hours
1A	W10RF01	Communication Skills: Computer Skills and English Skills (Year 1)	50

Requirements for the CWMS award: eight (8) WFDP courses outlined below (one per Semester half).

Students taking this award may cross-credit up to four (4) WFDP courses from PTCEE courses. A PTCEE Course is normally worth two (2) WFDP Courses (e.g., WP’s “Leadership: Foundations in the Scripture & Ministry and Leadership” equals PTCEE’s “Leadership & Management” course. C50RF01 Foundations of Theology and C50RD02 Foundations of Ethics can also be cross-credited to PTCEE.

The course on ‘Communication Skills’ is offered every year in Semester half 1A (for new students), together with a parallel course in ‘Practical Arts’ (for continuing students). Course offering may be subject to change. All courses for the WFDP, unless otherwise noted as 50-learning-hour courses.

GENERAL INFORMATION FOR CANDIDATES AND SPONSORING CHURCHES

APPLICATIONS

Churches which intend to send students to P.T.C. as full-time residential students must plan to do so well in advance of the time they wish the students to enter the college. The first priority at P.T.C. is to serve the needs of all the participating churches. However, qualified persons who apply with sponsorship from non-participating churches may be admitted. Application forms and Handbook are available from the Registrar.

Closing Date for Applications: The completed forms, including the necessary supporting documents, should be sent to the College Registrar early enough to arrive in Suva before 15th October of the year prior to the year of intended admission.

The College will inform churches about the acceptance or non-acceptance of applicants before the end of November. If a church wishes to repeat an application which previously was not accepted, the Registrar's Office should be informed before 15th October and any new information regarding the student should be sent.

Transcripts/Class Records: A record of all the previous course work beyond the secondary or high school level and/or at the denominational college together with a key to its interpretation must be submitted at the time of application. The transcripts should indicate the classes taken, grades given, and the dates of study. In addition to helping determine entry, transcripts help the adviser in planning the student's programme. When students will be sitting examinations in November, results should be communicated to the P.T.C. so that the transcripts sent to the College can be suitably updated.

REPORTS

The College will send an annual report on each student to the sending church authorities.

COLLEGE FEES

The College Council has implemented some of the Financial Resolutions and the sending Church (or the funding body which has accepted financial responsibility for the student) is requested to fulfil the following conditions:

- Students' fees must be paid in advance at least 50% in January 31 and the balance by June 30. Students whose fees are outstanding by the end of February and the end of July shall be suspended from classes. Suspension will cease once the amount due is paid. If the outstanding fees are not paid

by March 31 and August 31, the student's studies will be terminated, and they will be asked to leave the College.

- That a student shall not be accepted for the following year of his or her studies unless all the arrears in fees and other expenditures are fully paid. Also the academic transcript will not be released. Or in the case of a final year student, he or she will not graduate and academic transcript will not be released unless the arrears in fees and other expenditures are fully paid.

IMMIGRATION

Application forms for permits from the Government of Fiji allowing the students' spouses and families to enter and reside here in Fiji will be sent together with the 'acceptance letter'. Students themselves will be allowed to enter Fiji when they show immigration officers their acceptance letters from P.T.C. These applications, with proper supporting documentation, (**TWO** [2] passport size photographs of each person in the family, police reports for student and spouse, marriage certificate, medical certificates for each person in the family (**3 months validity at the time of lodgement**), birth certificates (**for each child**). All these supporting documents should be returned to the College Registrar's office as soon as possible so the submission to the Fiji Immigration office to be done early as possible. **School records** and **Transfer letters** for each child for whom a place is needed in a nearby primary or secondary school also be sent to the Registrar's office.

For travel to Fiji, students and members of his/her family **must** have:

- A passport valid for three years.
- A letter from P.T.C. granting admission to the College.
- Fiji Residential permits.

The Immigration authorities in Suva require that the College sign a bond guaranteeing the return fare. The College therefore requires each student and members of his/her family to come with **return tickets**.

TRAVEL

- The Church is requested to arrange and pay for the passage of students to and from Suva. Travel itineraries should be sent to the Registrar's office three weeks before the exact date of travelling.
- At the end of a student's final year the College will arrange for passages for the student and his family (using the return-tickets referred to above). The supporting Church is responsible for freight charges.

SUMMER VACATION

- The fees which students pay cover only the 42 weeks of the academic year. The Church or sponsoring body therefore has two options:

1. To pay the air fares for the student and family to return home; or
2. To provide living expenses for the student and family to remain at the College. The College will provide a detailed account of the expenses that must be met, including accommodation fees and food allowance. These will be set at the same rate as is charged during the 41 weeks of the academic year.

- At the end of the second year, BD students are expected to return home for the long vacation to undertake field research for their final-year projects. Similarly, MTh. students are expected to return home at the end of their first year in order to work on their theses. The Church can choose whether to provide air fares for the whole family to return home, or to provide one air fare for the student and living expenses for the family members remaining at PTC.

PERSONAL BELONGINGS

- Sheets, blankets, pillow cases, mosquito nets, window curtains, towels are to be provided by the student.
- Bedding (mattress & beds), cooking and eating utensils will be supplied by the College.

RELATIONSHIP OF STUDENT WITH HOME CHURCH

The General Secretary of the home church is urged to keep in touch by correspondence with students sent from the church, so that students may feel that their association with the home church continues through their college life.

MEDICAL EXPENSES AND SUPERVISION

Students should consult their local doctors and follow their advice. (Everyone should be vaccinated against tetanus.) The College cannot be held responsible for sickness contracted while students and their families are resident in Suva. The College undertakes to care for minor medical needs of the students equivalent to the Medical Fees paid. However, where there is any major expenditure involved, the sending Church will be responsible and will be so advised.

ARRIVAL

Some weeks before arriving in Fiji, students should write and give their flight number and expected time of arrival at Nausori airport. A College representative makes every effort to meet **new students arriving for the first time**. (However, it is always possible to hire a taxi in order to reach the College "at the corner of Vuya Road and Queen Elizabeth Drive, Veiuto, Suva.") Notification of last minute changes should be

given by telephone, fax or e-mail to the College Principal or Registrar. (See inside cover page for e-mail address, fax and telephone number.) If possible, students should purchase some Fijian currency before arriving.

COMMUNITY GUIDELINES

INTRODUCTION

Living in a community such as ours can be enriching but also very demanding. We come from so great a variety of backgrounds that living side by side can be difficult. Self-discipline, cooperation, and maturity are expected from all members of the community. These rules provide some essential guidelines to point in the direction we wish to go and to safeguard the Christian character of the community. But the rules are a minimum statement. We need to go beyond them avoiding behaviour which is hurtful or offensive to others, and striving to build a truly Christian community.

COMMUNITY LIFE

- Noise should be controlled. Radios, cassette players, and televisions should **not** be played loudly. Be careful **not** to disturb your neighbours at night or early in the morning. Fireworks are not permitted at any time.
- Self-control and moderation are to be exercised in all things. Drunkenness and all other forms of excess and violence to the person are unacceptable.
- Parents should make sure their children are **not** causing damage or being a nuisance.
- Students who wish to bring additional member of his/her family **should** inform the Principal and then the Registrar for immigration purposes.
- Students of both sexes will be expected to behave with moral integrity.

COLLEGE PROPERTY

- Children and adults **must not** damage College property, e.g., motor cars, mosquito screens, paint-work, buildings, furniture, etc.
- Any deliberate damage will have to be paid for by those responsible for it.
- Furniture **must not** be moved from rooms, flats or houses without permission.
- No book, periodical, or other material should be removed from the library until it has been properly issued at the library desk.
- Washing and Video Machines may be used in student flats if the student is prepared to pay an additional charge as a contribution towards the extra electricity consumed. (A suitable arrangement **should** be made with the DOF).
- No animals / pets are allowed.
- Household rubbish **should not** be placed beside the road except on Tuesday, Thursday, and Saturday mornings, and **only in the rubbish bins** provided. Care should be taken in the disposal of casual rubbish such as plastic bags, ice-cream

containers and cigarette packets, in order to keep the campus beautiful, reduce mosquito-breeding, and avoid blocking the drains.

STUDENT HOUSING POLICY

All students **must** be housed on the PTC Campus, as resolved by the College Council, with certain exceptions at the discretion of the Principal.

- Married students [families] are permitted to bring only three children with them, as resolved by the College Council, except in consultation with the Principal.
- Students, who occupy a two-bedroom flat, **must** occupy the same flat throughout his/her studies at PTC.
- Any vacant flat or room will remain as the property of the College, and shall **not** be used by students.
- College guests may occupy any vacant married flat or single room at the discretion of the Student Housing Committee and the Principal.
- For the renting out of vacant married flats or single rooms, the Principal will decide on suitable tenants to safeguard the welfare of the PTC Community.
- If a student flat or room is rented to outside tenants, the rental must be at the same rate as the PTC students' accommodation fees. Any exception to this clause **must** be approved by the Principal.
- Outside tenants who are renting PTC single rooms or flats are encouraged to participate in the community life of the College.
- Students must leave the flat/house as you found it when you first occupied it.

VISITORS

Visitors to the College are welcomed, but:

- Permission **must** be granted by the Principal if student families or single students wish to have guests stay with them. Such visits should be no longer than a week. This **rule** is necessary to protect students and to prevent extra expense to the College.
- All visitors must leave the College campus by 12.00 midnight.

LOST PROPERTY

Any lost property found on the campus should either be handed back to its rightful owner/owners or else handed in without delay to the office. Property found in this way should be notified on the notice board.

Krüger Computer Centre

The PTC Computer Centre was established in 1997 through funding from the Northelbian church in Germany and the efforts of Dr Wolfgang Krüger. The Centre provides the students and staff of PTC with computer training, access to email and the internet, and other computer related services. The Computer Centre contains six PCs. The network is also connected to the Library, so that students with laptops can access email, Internet, the server and the printer from their own computer.

Every staff member and student enrolled in a residential course is entitled to an email account. First year students are required to take computer skills and word processing courses. These courses are taught by the Computer Centre staff. Advanced word processing workshops are also available for MTh students and others writing dissertations or projects.

The Computer Centre staff members have responsibility for the day-to-day care of the whole PTC computer network, including the email system. It is from the Centre that the college's local area network of about 45 PCs is managed. The Centre provides file management, backup and email services, as well as internet access and technical assistance across the network.

Fee Policy

- The Church (or other funding body which has accepted responsibility for student fees) is requested to forward to PTC that total amount due by the beginning of each academic year (end of January or beginning of February).
- However, in case, any of the responsible Church or overseas funding body is unable to meet the beginning of the year deadline (due to unavoidable

circumstances), then, they must make a payment in advance **at least 50% before the end of January and the balance (the other 50%) by June 30th** of the same academic year. The College Council resolution in relation to College Fees, which has been effective and enforced since 2011 is as follows: *“Students’ fees must be paid in advance, at least 50% by 31st January and the balance by June 30th. Students whose fees are outstanding by the end of February and the end of July shall be suspended from classes. Suspension will cease once the amount due is paid. If the outstanding fees are not paid by March 31st and August 31st, the student’s studies will be terminated, and will be asked to leave the College”.*

- A student must not be accepted the following year of his/her studies, unless all arrears (fees & other expenditures) from previous year are fully paid.
- Students who start part-way through an academic year will be charged a proportion of the relevant annual fees.
- The charges listed above cover only the 42 weeks of the academic year. A charge based on one forty-secondth ($1/42$) of the yearly accommodation fee will be levied for each adult for each week of the summer vacation that he or she wishes to remain at P.T.C. The normal food allowance for each family must also be paid by the funding body for the vacation period. The Director of Finance will submit a statement regarding vacation expenses for each family to the church concerned.
